Brothers Meet Here After 28 Years

—Photo by Bland

Two brothers reunited in Edmonton after 28 years are shown in the above picture. On the left is **Max Yaffe**, 10049 87 avenue, and on the right is brother **Hugo** of Indianapolis, Ind. Many reminiscences took place at their first meeting. Above they are shown recalling many pleasantries.

Think Tail Assembly Caused Crash

Ironically grim reminder of a Memorial Day disaster is the flag painted on side of tail section of Eastern Allines DC-4 that crashed in woods near Port Deposit, Md., killing all 53 persons aboard. Eye witnesses said tail assembly appeared to disintegrate as the Newark-Miami airliner turned over in its fatal dive.

Britons Menaced By Mail

LONDON, June 4, (AP)—Scotland Yard said today that prominent Britons had received letters from Italy filled with explosives and arranged to detonate when opened.

Maj.-Gen. Sir Edward Spears, an admitted anti-Zionist, said he received one of the letters and that it contained "a mechanism like the inside of a watch between two sheets of paper" and a bag of powder "about the size of a banana."

A Scotland Yard spokesman said that "I can neither confirm nor deny" a London Evening Standard report that Field Marshal Viscount Montgomery, chief of the Imperial general staff, and Sir Stafford Cripps, president of the board of trade, also received the infernal machines.

SCOTLAND YARD agents visited the war office, however.

The "murder-by-post" missiles, as a London newspaper dubbed the letters, came in two envelopes. The outer one was a little larger than half a typewriter sheet and bore only a neatly-typed address. The inner envelope was slightly smaller and contained the midget machine and powder and bore the address and words "private and confidential."

Yard officials declined to name any of the recipients or to give any hint as to their identity.

Informants said the packets were made up of an outer envelope,

Armed Uprising

SAN JOSE, Costa Rica, June 4—(Reuter)—An armed uprising at Matagalpa, central Nicaragua, against Benjamin Lacaya Sacasa, named provisional president of Nicaragua after the bloodless military revolt last month, was today reported by members of a colony of Nicaraguan exiles here.

Dies at 60

CARDIFF, Wales, June 4—(Reuters)—Frank Hodges, former director of the Bank of England and Labor member of Parliament, died at a Welsh nursing home yesterday at the age of 60.

Rocks Wreck Vessel

FORT WILLIAM, June 4 (CP)— Twelve crew members of the Canada Steamship Lines freighter Emperor, including Capt. Eldon Walkinshaw of Collingwood, Ont., were drowned or missing today after their 7,000-ton ship struck Canoe Rocks, 45 miles southeast of this lakehead city and at the eastern tip of Isle Royale, and sank quickly after breaking in two.

One body, that of Mrs. E. Schultz, first cook, of Owen Sound, Ont., was brought to Fort William by the United States Coast Guard cutter Kimball which also picked up 21 survivors of one of the Great Lakes worst marine disasters in recent years.

The cutter returned immediately to the scene to continue its search but there was little hope any of the 12 missing might still be alive.

FIRST MATE John Morley of Kingston, Ont., and Second Engineer William Currie of Toronto are also missing.

It was only by chance the cutter, commanded by Lt. C. E. Clark, happened to be 25 minutes steaming distance—about 12 miles—when the Emperor struck the treacherous Lake Superior shoal in poor visibility at 2.10 a.m. MDT. She had been setting navigation lights on Isle Royale, a U.S. national park in Thunder Bay, and was returning to her base at Cleveland when the freighter's distress signals were picked up.

Lt. Clark said the freighter's crew of 33—she carried no pas-

Army, Navy, Air Force Plans Given

Australia Will Spend Billion On Defence in Next 5 Years

CANBERRA, June 4 (CP) — Australia is to spend £250,000,000 ($1,000,000,000) during the next five years on peacetime defence plans, John J. Dedman, minister of defence, told the House of Representatives today.

THESE PLANS included:

An army of 60,000—19,000 permanent forces and 50,000 militia— all voluntarily recruited.

A navy of 14,753, with two light aircraft carriers, each carrying 36 planes;

An air force of 16 squadrons comprising 144 aircraft, backed by 439 reserve aircraft and 698 aircraft for training and miscellaneous duties, with a total personnel of 12,625.

"Under the United Nations organization it is fundamental to have a substantial reduction in armaments, but meantime reliance must primarily be placed on co-operation in Empire defence," Dedman said. "Having regard to Australia's limited resources, this allocation contains substantial elements towards the relief of the burden of Empire defence so long carried by the United Kingdom."

Tremblay Plans Seek Leadership Of Liberal Party

Decision to allow his name to go before the provincial Liberal leadership convention to be held in the Masonic Temple June 24 and 25 was announced in Edmonton Wednesday by J. H. Tremblay, agricultural trade commissioner for Northwest Europe, who is in the city on leave of absence.

"**SHOULD I BE** chosen, I shall devote all my energies toward a program of provincial development including our vast agricultural and industrial resources. Only through such development will the citizen of Alberta create confidence within and without the province and insure a proper contribution to our Canadian economy," he said.

Mr. Tremblay recalled that he had been absent from the province for seven years on military and diplomatic duties.

HE ENLISTED in September 1939 as second lieutenant in The Loyal Edmonton Regiment and rose

(Continued on Page 2)

Will Not Declare June 9 a Holiday

The city of Edmonton will not issue a formal proclamation declaring the King's birthday, June 9, a holiday, it was announced today at the civic block.

Consequently the question of stores remaining open, or closing on that day will be a matter to be decided by the individual retail merchant, it was stated by T. E. Garside, KC, city solicitor.

Decision to refrain from issuing the proclamation was made prior to the departure of Mayor Harry Ainlay and City Commissioner John Hodgson to Eastern Canada, and was made on representation of the retail section of the Edmonton Chamber of Commerce.

A survey of retail store members of the Chamber of Commerce was made, and the majority of merchants favored remaining open on June 9.

The non-issuing of the proclama-

President

R. C. BERKINSHAW

Manufacturers Elect Officers

By LORNE BRUCE

BANFF, Alta., June 4—(CP)—R. C. Berkinshaw of New Toronto, Ont., was elected today as president of the Canadian Manufacturers Association for 1947-48. Mr. Berkinshaw, an official of the Goodyear Tire and Rubber Company, of Canada Ltd., succeeds Col. H. S. Tobin of Vancouver.

Other executive officers elected at the annual convention were, First Vice-President N. A. Healey, Sackville, N. B. second vice-president, M. A. East, Saskatoon, treasurer, T. F. Monypenny, Toronto.

Chairman of all but two standing committees were re-elected. C. B. C. Scott, Toronto, replaced E. R. Complin, of Montreal, on the industrial relations committee, and L. L. Lang, Kitchener, Ont., succeeded W. E. Sprague, Hamilton, Ont., as head of the insurance committee.

If traditional sequence is followed, Mr. East will be president in 1949-50 and the first Saskatchewan man ever to be head of the CMA.

Mr. Monypenny now begins his 19th term as treasurer.

Calgary Man Heads Petroleum Board

D. P. Goodall, Calgary, has been selected as the new chairman of the province's petroleum and natural gas conservation board. This was announced Wednesday by Hon. N. E. Tanner, minister of lands and mines, after resignation from the board of A. G. Bailey of Calgary.

An appointment to fill the board vacancy created by this resignation will be made shortly.

Mr. Bailey joined the provincial board in July, 1944, and was formerly with the chemical and explosives division of the Allied War Supplies, Ltd., of Montreal. At the time he came to the board he was deputy chairman, but advanced to the appointment of chairman following the death of Dr. E. H. Boomer.

He is to share in the direction of the activities of the Husky Refining Company, which already has an oil refinery at Lloydminster and which has reservations in the Leduc section of the Edmonton field.

Son of Edmonton Couple is Killed

KAMLOOPS, B. C., June 4 — (CP)—A. J. Proulx, 37, father of four young children, was killed near here late yesterday when he was mistaken for a bear and shot by a juvenile with whom he and two other adults were hunting. Proulx had gone into a timber thicket in search of the bear when the accident occurred. He is survived by his widow and parents, Mr. and Mrs. P. O. H. Proulx of Edmonton.

Passed Up "Chance of Lifetime," Banff Man May Win a Fortune

CALGARY, June 4 (CP)— After passing up his "one chance in a lifetime" back in 1907, Walter J. Howard, Banff hotel clerk was given another chance at fame and fortune today when he learned his ticket had been drawn on Blue Train in the Irish Hospitals Sweepstakes to be run off at Epsom Downs on Saturday.

Should his horse win, Howard stands to win $100,000. Blue Train and the favorite, Tudor Minstrel, both unbeaten in races they have run to date, are generally expected to finish 1-2 in the derby.

The Banff man will get $60,000 if his horse places second and $40,000 if the race horse finishes third. Just in case it does not show, he will still be £300 or $1,200 to the good.

Mr. Howard, who has bought the sweepstakes tickets every year since 1896, drew a ticket in the King's horse the last time His Majesty's entry won the derby in 1907.

But he sold his original ticket. He did this because he was confident that the horse which placed second then would emerge the winner. He said he even sent money to his home in Ireland to have them bet on this horse because he was certain the King's entry would not win.

A veteran of 50 years in the Canadian hotel business, Mr. Howard said last night that "I've got enough derby tickets now to paper a room." He purchased nine sweepstakes tickets this year.

Egypt to Demand British Get Out

By GILBERT SEDBON

CAIRO, June 4 (Reuters)— When the Anglo-Egyptian dispute comes before the United Nations, Egypt will demand immediate evacuation of British forces from the "Nile Valley" unconditioned by a military alliance with Great Britain, it is authoritatively stated. The Egyptian case, in fact, is contained on a single foolscap sheet. Prime Minister Nokrashy Pasha, in his recent statement in parliament, said plainly that Egypt's case would be based on "evacuation of the Nile Valley—Egypt and her Sudan." And in the further statement he issued a few days later he declared: "The British troops in the Sudan are the result of the earlier British occupation of Egypt. These troops have no more right to stay in the Sudan than they have to stay in Egypt."

India States Can Stay in Empire Or Walk Out as They Choose

Can Be Completely Independent

NEW DELHI, June 4 (AP)— Viceroy Lord Mountbatten told a press conference today that either or both of the new states to be created in India under Britain's new plan could remain within the British Commonwealth with Dominion status or could walk out either from Britain or from each other.

HE MADE IT PLAIN that the British plan announced yesterday, intended that both Hindu India (Hindustan) and Moslem India (Pakistan) could be completely independent both of Britain and of each other, and that neither could control the other on the question of whether to remain in the Commonwealth.

This question was raised by a number of correspondents on the Hindu side of the prospective new frontier in line with fears expressed editorially in some papers that Britain was splitting India in order to be able to retain her influence at least in the Moslem sections.

"There is absolutely nothing sin-

United States Backs Report

Powers Oppose Soviet On World Police Force

By Larry Hauck

LAKE SUCCESS, June 4 —(AP)— The world's other major powers lined up against Russia in the United Nations Security Council today as delegates prepare to open general debate on the long-delayed organization of a global police force.

THE UNITED STATES was ready to support solidly the basic report of the military staff committee, from which the Soviet Union has dissented on more than a third of the basic principles.

The other members of the committee of admirals and generals from United States, Britain, France and China were in general agreement.

Inauguration of debate in the council provided the small countries with their first opportunity to comment on the report, which was 15 months in drafting.

Major issues on which Russia and the West still stood far apart after the staff committee deliberations included these:

1. **RUSSIA** insists that every member of the Big Five make definite contributions to the U.N. forces (same number of troops, battleships, planes, etc.). Other powers maintain that because of varied strength in the different services in different nations the contributions should be "comparable."

2. Russia says there is nothing in the U.N. charter requiring any country to make bases available

(Continued on Page 2)

5 Die in Riot

BENARES, India, June 4—(AP)—Five persons were killed and many injured yesterday in rioting at a village outside Benares, sacred city of Hindus, over Hindu refusal to permit Moslems to draw water from a Hindu well. Police arrested 55 persons.

Turn Jews Back

ROME, June 4—(Reuters)—Italian frontier police surprised 195 Jews stealing over the frontier from Austria on their way to Palestine, Ansa, the Italian news agency reported today. They were sent back.

U.S. City Hard Hit By Flood Waters

RUTLAND, Vt., June 4.—(AP)—At least four persons were missing—three of them children—and this city of 18,000 was virtually isolated today in the wake of a roaring flood that caused damage estimated at more than $2,000,000 and left upwards of 500 persons homeless.

This city, second largest in Vermont, was without water, gas and electricity.

National Guardsmen patrolled the inundated congested residential area as emergency kitchens were set up to feed the homeless.

While the worst appeared over with clearing weather, business was virtually at a standstill as everyone pitched in to clear debris and help homeless.

Between 200 and 300 persons slept during the night in emergency cots set up in Memorial state armory.

Wide sections of the community were inundated, at least 500 residences were flooded from depths of a few feet to first floors.

Coal Miners Balk At Further Talks

WASHINGTON, June 4—(AP)—John L. Lewis' United Mine Workers (AFL) balked at continuing contract negotiations with southern coal operators.

The UMW representatives informed the operators by telephone they would not attend a meeting scheduled during the morning. This could mean that negotiations between the two were collapsing in the same manner as the bargaining talks between Lewis and the northern and western operators.

After talks recessed yesterday, the southern producers announced that they had offered the UMW a $12.70-a-day pay scale, an increase of 85 cents daily over current wages. But, in return, the operators demanded abolition of portal-to-portal pay for underground travel time.

The UMW termed this offer unrealistic.

Refuse to Release Chinese Students

SHANGHAI, June 4 — (AP)— Chinan University students ended their three-week strike and resumed classes today, but all other colleges remained closed as the government and army continued to refuse demands for the release of 32 local students arrested in a roundup of alleged Communist agents.

HONG KONG, June 4.—(AP)—The South China Morning Post said today that wholesale arrests of newspaper editors, reporters and "others suspected of having Communist sympathies" seemed to be one of the reasons for current political uneasiness in Canton.

Nordegg Miner Killed by Rock

NORDEGG, June 4 Frank Blasetti, 25-year-old RCAF veteran was killed almost instantly early Tuesday afternoon when he was struck by a 400 pound rock which fell from the roof of number one slope at the Brazeau Collieries mine here.

Albert Morris, another miner, who was working nearby, escaped injury when the huge rock fell.

Dr. F. G. Day of Nordegg, district coroner, was summoned to the scene.

Surviving the victim are his wife, Joan; one daughter, Marylyn; his parents, Mr. and Mrs. Andrew Blasetti; two sisters, Matalda and Mary; three brothers, Guido, Ernest, and Evo.

First Boat Brings Supplies to Dawson

DAWSON, Y.T., June 4—(CP)—It was shopping day in Dawson, far northern mining town on the Klondike river, as crowds overflowed stores purchasing their first fresh foodstuffs in weeks.

With blaring whistles and cheers from the crowd-lined docks, the steamer Casca steamed in late yesterday, bringing fresh supplies. It was the first boat since freeze-up.

Dawson was without fresh meat and gasoline for two weeks and without potatoes for more than a month.

The last of the gasoline, which was flown in from Fairbanks, Alaska, sold for $1.50 a gallon, due to the charge of 16 cents a pound for the 290 mile air trip.

Residents still were worried over the steamer's food supply, due to a backlog of undelivered freight from last year and increased demands by mining companies.

Heat Wave Ends

LONDON, June 4—(AP)—Thunderstorms broke Britain's record heat wave today. Thermometers read 90 degrees at 9 a.m. 10 degrees lower than at 9 a.m. yesterday. The five-day heat spell was the longest ever recorded here in June, sent the temperature to 92 yesterday, making it the hottest June day on record.

Rain-Maker Starts "Universicope" And Regina Area Gets Soaking

BY NORMAN ALSTEDTER

REGINA, June 4 (CP)—Regina district farmers today surveyed with delight fields soaked with 59 inches of precious moisture— and a 33-year-old inventor, Donald Johnston, said they could thank his rain-making machine for their good fortune.

Johnston shy self-spoken veteran whom rodeo fans at Swift Current asked to shut off his "universicope" when rain interfered with their show in July, 1941—ran the foolsquare machine late yesterday for the first time this spring.

He gave his demonstration on Regina's outskirts. He was posing for a newsreel company, when bystanders pointed to large, black clouds forming shortly after he started his machine. He merely nodded his head confidently.

Two hours later the city had its heaviest downpour this year. Weather forecasters earlier had predicted showers.

The "universicope," as the slight, unmarried Johnston calls it, has a unit of steel frame and incorporates two horseshoe-shaped magnets. One of the magnets is fixed, the other revolves in a semi-circle about it.

Johnston said electrical power drawn from the moon by the machine's electro-magnetic field causes electrical changes in the atmosphere, affects condensation when clouds are overhead and thus brings rain.

For the opportunity to "smash drought throughout the three prairie provinces" he wants only his expenses.

Ministers Pledge Support Campaign

Pledge for full out support of the $350,000 drive for building funds by the Edmonton United Campaign, was the decision of the Edmonton General Ministerial Association at a meeting held in the Corona hotel, Monday noon.

The association will ask churches to hold a special "Human Service Sunday" on June 15, and that a special service be preached that day. Special speakers will be provided at the churches to give a brief five minute speech on the campaign.

IN ADOPTING THE resolution of commendation of the joint appeal of the YMCA, YWCA and the Salvation Army the Ministerial Association stated "That we, the Edmonton General Ministerial Association recognize the value of the work being done by the YMCA, the YWCA and the Salvation Army, that knowing their needs for more

AD ANNOUNCES RUMMAGE SALE

The announcement classification (13) in the Want Ads contains a notice of a rummage sale to be held on June 5.

Possibly they will not make a million transporting freight but the young people of the family would have fun with the electric train listed under heading 40. It's complete with tracks, engine, switches, etc.

An advertising listing an ad under Autos Wanted, heading 90, wishes to buy a sedan type car, 1940-1946. Other offers to buy cars can be found there tonight.

When it's a matter of something to buy or sell, be wise and advertise in the Want Ads. Ads received earlier than 11:00 a.m. can be published the following day.

India Plan

(Continued from Page 1)

ister in this plan." Mountbatten declared.

"I think it would be more proper for any foreign power to have bases in India," he added.

THE PRINCELY states would not be permitted to have dominion status within the Empire but would get their independence as soon as power is transferred to the rest of India. They would then be free to remain independent or to join either Hindustan or Pakistan.

Mountbatten declared that no party had asked to remain in the Commonwealth; beyond the temporary period while arrangements are being made for the transfer of power from Britain to Indian hands. This transfer, he said, was expected to be completed "possibly in August."

BY REUTERS

As Viscount Mountbatten, viceroy of India, told a press conference in New Delhi today that British authorities would leave India "when they are told to leave," conflicting reactions on Britain's plan to transfer power immediately to one or two Indian governments with dominion status were registered throughout the world.

IN INDIA itself, opinion ranged from the approval of the Independent Times of India describing the plan as "the only method by which India's constitutional problem can be settled justly and peacefully," to the condemnation of the ultra-nationalist Free Press Journal carrying the headline "The greatest betrayal."

The pro-congress Hindustan Times hailed the plan as "a masterpiece of British statesmanship and diplomacy," while Dawn, organ of the Moslem League, produced a "Pakistan edition" with a headline "Long live Pakistan"—the separate Moslem state in India.

The Moslem League Morning News of Calcutta said: "It is to be hoped that the Indian situation as it develops from now on will not prolong dominionhood beyond the coming 12 months."

THE DOMINIONS generally welcomed the prospect of India remaining in the British Comonwealth.

In Ottawa, Prime Minister Mackenzie King said the people of India "may be assured of the sympathetic understanding and good will of the government and peoples of Canada in their efforts to achieve self-government."

FREE SAMPLES OF TREATMENT FOR
STOMACH DISORDER
(Due to Gastric Hyper-Acidity)

Why suffer heartburn, gnawing pains from acid stomach when simple, scientific relief may be yours? FREE! CANADIAN VON FARLETH tells how this famous treatment has accomplished astounding benefits in hundreds of severe long-standing acid stomach cases. ONE MINUTE NEWS ABOUT JOHNS-MANVILLE

Many Materials In Average Home

Did you know that the construction of the average home involves the proper selection of more than a thousand different materials — dealing with some twenty building trades. It's little wonder, therefore, that so many prospective home-builders are turning to architects for expert guidance.

You see, an architect is not only skilled in designing a home and supervising its construction, but he knows which building materials will be best suited to your needs—and your pocket-book. His recommendations can help you avoid many pitfalls—save you money—and add greatly to the enjoyment you will get from your new home.

We suggest that you ask your architect about Johns-Manville Asbestos Building Materials which provide permanent protection from fire and weather—and reduce maintenance costs to a minimum.

Oppose Russia

(Continued from Page 1)

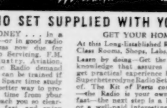

for a U. N. force: The United States says it would be useless to set up a force without guaranteeing rights to bases.

LAKE SUCCESS, June 4.—(AP)—Chief delegates of the five great powers failed to agree last night on a work plan for the United Nations commission for conventional armaments and virtually abandoned the attempt.

As the delegates adjourned a four-hour closed meeting, they instructed the U.N. secretariat to prepare a report to the full commission Friday that they were not able to draw up a schedule for it to follow.

One of the major factors in the disagreement, it was said, was an attempt by Russia's Andrei A. Gromyko to link the problem of atomic energy control with the task of the arms commission, which has been ordered to draw up recommendations for reducing armaments and armed forces.

Argentina May Get U.S. Arms

BY JOHN M. HIGHTOWER

WASHINGTON, June 4—(AP)—Diplomats look today for Argentina to be successful in its long bid to get United States arms.

They say that sale of American military equipment to the Buenos Aires government is one of three major developments likely to follow yesterday's White House conference re-establishing formal good relations.

The turn came when President Truman indicated to Argentine Ambassador Oscar Ivanissevich American willingness to sit down with Argentina and the other American republics to draft a mutual defence treaty.

Besides the arms sales, diplomatic authorities also predict:

1. Holding of the inter-American defence conference at Rio de Janeiro, Brazil, in July or August if arrangements can be made in time.

2. A re-estimate of the political situation in South America as a result of the changed relationship between Buenos Aires and Washington.

Supports Drive

(Continued from Page 1)

adequate facilities we hereby cordially commend the joint appeal to the generous citizens of Edmonton."

The resolution was moved for adoption by the Rev. R. McElroy Thompson and was seconded by the Rev. E. H. Birdsall, president of the association. The resolution was passed unanimously.

Needs of the campaign were stressed at the meeting by J. Genthner, official of the Edmonton United Campaign. In his speech Mr. Genthner stressed the fact that the money raised for these three major services would remain in Edmonton, and that it is the duty of all parents to provide their children with adequate facilities for healthful recreation.

Preparations for the launching of the public appeal is nearing conclusion and opening date for the appeal is Monday, June 9. More than 600 organizers will participate in the largest local campaign conducted in Edmonton.

Meetings of workers will be held every evening this week to further preparations and details of the appeal. All meetings will be held in the YMCA.

King's Birthday

(Continued from Page 1)

tion follows the practice of recent years, Mr. Garside stated.

A committee of the Chamber of Commerce headed by T. A. Laurence is drafting a suggested policy for guidance of the storekeepers, it was learned Thursday from Charles E. Garnett, president.

Observance of the holiday by merchants in Alberta cities and towns rests entirely on local conditions according to W. S. Gray, the legislative council and acting deputy attorney-general of the province.

If provision is made in city charters or by town and village bylaws for observance of the holiday, then merchants may be compelled to close.

Retail merchants associations cities have been requesting information from the government on the observation of the holiday, it was learned Wednesday.

New Seamen's Union Opens Headquarters

MONTREAL, June 4.—(CP)—The newly-formed and avowedly anti-Communist Canadian Lake Sailors' Union opened its headquarters Tuesday and, while its head, J. A. (Pat) Sullivan set out on a new Great Lakes organizational tour, the union executive began planning the future of their lake seamen. The new group, under the leadership of the former president of the Canadian Seamen's Union, which he left amid statements he now was out to fight Communist influences, plans to meet steamship officials soon to present various demands of union members.

Instinct is not a safe guide to good nutrition. It is unreliable because of peculiarities of individual food habits. The only safe diet is that based on proven rules of nutrition say nutrition experts.

Only Bruised

A bruised foot was the only injury suffered by **Sandra Williams**, year-old daughter of Mr. and Mrs. **Robert Williams**, when she tumbled 25 feet from an open window in her Windsor Downs Sandra is seen with her mother after X-rays were taken.

Vessel Wrecked

(Continued from Page 1)

sengers—had taken to their lifeboats but one of these was overturned when the Emperor plunged to the bottom and a plug came loose in the second.

THE KIMBALL rescued four men clinging to the overturned boat, 10 others huddled knee-deep in water in the second and seven, chilled and hanging precariously to rocks, about 1½ miles north of Isle Royale. She found no others.

The 37-year-old, 325-foot freighter, which sailed from Port Arthur at midnight last night for Ashtabula, O., with a cargo of ore, sank in about five minutes, her hull apparently ripped open, in 50 feet of water. Her foremast stuck out above the surface.

THE DISASTER was the worst on the lakes since 1942 when 25 drowned in a launch sinking in Georgian Bay, 14 in a tug and 18 in a barge in Lake Erie. It was the first on Lake Superior in which there was loss of life since 1940 when the steamer Arlington went down in a gale with the loss of one crew member.

Since the turn of the century more than 100 ships have gone down on the Great Lakes and upwards of 2,000 seamen have lost their lives. The blackest year was 1913 when a two-day November storm wrecked 13 vessels and 248 drowned.

The worst year on Lake Superior was in 1927—20 years ago—when the freighter Kamloops disappeared on Nov. 22 during a previous winter storm which wrecked five other ships with a loss of five lives.

FORT WILLIAM, Ont., June 4 (CP)—Survivors from the Canada Steamship lines ore steamship Emperor, brought to Fort William by the United States Coast Guard cutter Kimball, included:

M. Dedman, Midland, Ont., chief engineer.

W. Leduc, Barrie, Ont., third engineer.

K. Burgess, Point Edward, Ont., fourth engineer.

W. Gallagher, Forrest, Ont., oiler.

H. Allan, Gore Bay, Ont., oiler.

M. Corbier, Honey Harbor, Ont., oiler.

R. Wade, Wallaceburg, Ont., fireman.

J. Brooks, Windsor, Ont., coal passer.

J. Gilbert, Sydney Mines, N.S., fireman.

E. Albrecht (address unavailable), coal passer.

Peter Craven, Port McNichol, Ont., second mate.

J. Elonard, Toronto, wheelsman.

W. Lawson, Parry Sound, Ont., wheelsman.

B. Randle, Hamilton, Ont., wheelsman.

F. Fish, Parry Sound, Ont., wheelsman.

R. Brown (address unavailable), deckhand.

L. Gale, North Sydney, N.S., deckhand.

A. Vegh, River Cannard, Ont., deckhand.

J. Savereux, Windsor, Ont., deckhand.

N. Tonita, Regina, deckhand.

A. Lafremboise, LaSalle, Ont., night cook.

NAMES OF THOSE whose bodies have not yet been recovered were given as:

E. Walkinshaw, captain.

D. Morley, first mate.

W. Currie, second engineer.

J. Sepchuk of Montreal, wheelsman.

D. Perry, watchman.

H. Corbier, fireman.

F. Ladue, fireman.

K. Campbell, fireman.

J. Buzzie, coal passer.

M. Cochran, a woman, second cook.

M. Tobachuk, a woman, porter.

Company officials said the freighter normally carries a crew of 35, but that the third mate and a fireman were not aboard when the vessel sailed last night.

Britons Menaced

cream in color and measuring 8½ inches by 6½ inches, bearing a typewritten name and address and the words "private and confidential."

Inside this was another envelope, 7½ by six inches, containing what was described as an "explosive powder" which would have been detonated by opening the envelope.

None of the inner envelopes was opened, however, since in each case, Scotland Yard said, the recipients became suspicious and notified police. Both the criminal investigation and political branches of Scotland Yard are making inquiries.

List Govt. Losses Ukrainian Property

By CHESTER BLOOM

Edmonton Bulletin Ottawa Bureau

OTTAWA, June 4—It cost the federal government $2,500 in the spring of 1945 to buy back or compensate the Ukrainian Labor Farmer Temple Association for properties seized in June 1940, when the association was declared an illegal Communist association. These facts were disclosed yesterday before the house public accounts committee.

On the prairies, the Winnipeg Ukrainian property sold for $13,500 was repurchased for the association for $20,000; the Saskatoon property sold at $1,702.76 was repurchased for $7,700; The Edmonton property sold at $5,739.61 was repurchased for $14,440.

Three properties in Calgary, Lethbridge and Medicine Hat were sold for a total of $4,171.30 and converted to commercial use so could not be repurchased. The association was accordingly compensated for them with $25,000.

The greatest government loss was in Toronto where the Ukrainian property sold at $30,000 was repurchased for $80,192.25, a loss of $33,819.92. Other losses were incurred at Lachine where property sold for $5,000 was repurchased for property sold at $5,650 was repurchased for $9,000.

Naval Visit

OTTAWA, June 4.—(CP)—Ships of the Royal Navy's America and West Indies squadron will make their first post-war appearance in Canadian waters this summer when Vice Admiral Sir William George Tennant, commander-in-chief of the squadron, will visit Canada, naval service headquarters announced today.

Snow in Moscow

MOSCOW, June 4.—(AP)—The Moscow area experienced snow-flurries early today, but the ground temperature was warm and the snow melted as it fell. Steady rains which have been falling on the northern and western areas of the Soviet Union for the last 24 hours enhanced prospects for a good 1947 wheat crop.

Demand Indemnity

WASHINGTON, June 4.—(AP)—The State Department has renewed a demand on Yugoslavia for indemnity for two American air transports shot down last summer by Yugoslav fighter planes. The government made a $150,000 settlement for five American fliers who died in the incidents but has refused thus far to pay for the planes themselves, valued at up to $400,000.

Imperial Valley, California's rich winter vegetable garden, was reclaimed from the desert.

Seeks Leadership

(Continued from Page 1)

through staff appointments to the rank of lieutenant-colonel. At the close of the war he was the only Canadian on the staff of Supreme Headquarters, Allied Command, Paris as agricultural expert.

He noted an increased interest in public affairs in the province.

At a time when so many countries in the world were in need of food, Mr. Tremblay felt that every effort should be made by provincial governments to encourage planned agricultural production.

Mr. Tremblay, the only member elected to the Alberta Legislature as a Liberal in 1940, was overseas at the time of election. He had represented the constituency of Grouard since a by-election held in December, 1936.

HE DID NOT RUN in the election of 1944, when he was still overseas, and his seat was captured by Hon. W. A. Fallow, minister of public works, against CCF and Labor-Progresive opposition.

Mr. Tremblay was born at Chicoutimi, Que., Sept. 21, 1899 of French-Canadian and Scottish parents. He was educated in Quebec and received his degree of bachelor of science in agriculture at Laval University.

Married in 1920, he has one son, Bernard, who served in the Second Great War in the ranks, and who lost a leg in France.

Plan to Deduct 'Baby Bonus' Tax

By DICK JACKSON

Edmonton Bulletin Ottawa Bureau

OTTAWA, June 4.—The new income tables, bringing reductions as high as 27 per cent beginning July 1 for the last six months of this year, should be in the hands of employers in another two weeks, Revenue Minister McCann announced this morning.

Preparation of the tables now is being completed, and they would be in the hands of business offices in plenty of time for use in making up payrolls covering the first week of July.

The tables are being compiled so that family allowances enter into the accounting of tax reductions from the pay oils.

This means that when the annual income tax returns are due next April, persons drawing family allowances and earning more than the allowed $5,000 maximum, will not have to refund the "baby bonus" in one lump sum.

Those having to refund the allowances will have the repayments spread over the six months period to the end of the tax year in deductions from pay envelopes.

The reduction, at peak, for the last six months of this year, is only 15 per cent and for the first 12 months balance against the higher rate applicable from January to July.

Our Product The Heart of the Home 50 UPRIGHT ECONOMICAL GAS FURNACES REDUCED 10%

This reduction also applies to all air-conditioning furnace installations.

Jailed 2 Months on Wounding Charge

LETHBRIDGE, Alta., June 4.—(CP)—John Olies of Blairmore was sentenced to two months in Lethbridge provincial jail after being found guilty, Monday, of having unlawfully wounded Antonio Lessa, a neighbor, with a bullet fired from a .22 calibre rifle May 29. Olies said he was repairing his fence when Lessa beat him up and left him unconscious on the ground. When he recovered he went into the house, took the rifle and wishing to scare Lessa he fired several shots into the ground.

Trains Derailed In Palestine

JERUSALEM, June 4.—(AP)—British authorities announced today that two trains were derailed on the Palestine coastal plain this morninig by mines apparently planted by the Jewish underground. A fireman aboard the train was reported injured, but there was no other immediate information concerning casualties.

An oil train was the victim of the first derailment which occurred south of the big oil port of Haifa. Four tank cars and an escort car containing several Arab guards were derailed.

The other mining took place on the Tel Aviv-Lydda line, where three-fourths of the cars in a freight train were derailed by an electrically-exploded mine. The fireman was the only casualty.

Hungarian Planes Put Under U.S. Ban

BUDAPEST, June 4—(CP) — The United States legation informed the Hungarian government today that planes of the Russian-Hungarian transport company Maszolet no longer are being permitted to fly over the American zones of Austria and Germany because of lack of American civil aviation rights in Hungary.

The announcement was delivered to the new premier, Lajos Dinnyes, and to Acting Foreign Minister Erno Mihalyfi, both pro-Communist members of the Small Holders party. It constituted an American response to Russian and Hungarian hinderance of American air activities in Hungary during the last two years.

The ONLY safe sure way to MOTH PROOF

Used for years by Big Woolen Mills and now sold for home use

Glorifies your hair

Doss away with all ODOR-WRAPPING and STORING AWAY!

One Spraying Actually Mothproofs the Cloth itself for a WHOLE YEAR!

Big woolen mills can't afford to take chances; they've relied on LARVEX for years—the sensational magic product that gives *positive protection* against moth damage. The safe, modern, *proved* way to mothproof suits, coats, dresses, millinery and rugs.

So Sure! Moths will commit suicide by starvation rather than eat anything treated with LARVEX. This magic spray penetrates the woolen fibres and actually mothproofs the cloth itself. Lasts a whole year.

So Quick! Just spray the garment with LARVEX and hang it in its usual place *ready for immediate wear.* No wrapping. No storing away. No mothball, no camphor, no cedar odor.

So Inexpensive! It costs no more to LARVEX a suit than to get it dry cleaned. And LARVEX gives LASTING PROTECTION against moth damage. Only 85¢ for 16 oz., $1.29 for 32 ozs.

LIGHTER, FLAKIER PASTRY with MONARCH FLOUR

The flour you use is the most important factor in your baking success. That's why you should give Monarch Flour a chance to show just what it can do. For Monarch Flour is the result of a long search for the ideal cake and pastry flour.

For years our scientists have been experimenting with all the various kinds of wheat, and have studied every detail of milling. Our dietitians have baked thousands of cakes and pies and kept accurate records.

Here's what you can expect when you make your first Monarch Flour Cake: a cake that rises evenly, uniformly every time, a cake with light, moist feathery texture such as you've never been able to get with hard wheat flour.

Monarch needs only one chance to prove to you that it is the best flour you've ever used for cakes and pastry. So get a bag today, and . . . happy "bakeday" to you.

LEMON MERINGUE PIE

Yield—one 8-inch pie

Prepare, bake and cool 8-inch pie shell. Measure into top of double boiler 6 tablespoons Monarch Pastry Flour, add 3 tablespoons corn starch, 1¼ cups granulated sugar, ¼ teaspoon salt, and mix thoroughly. Gradually stir in 2 cups boiling water. Cook over low direct heat, stirring constantly, until smoothly thickened. Place over hot water and cook gently, stirring occasionally, for 10 minutes. Remove from heat and add 2 tablespoons butter, 2 egg yolks slightly beaten, then stir in 3 tablespoons grated lemon rind, ¼ cup strained lemon juice. Stirring frequently, cool to lukewarm; pour into baked pie shell. Top 2 egg whites and add grains salt. Beat until just stiff — not dry. Gradually beat in 3 or 6 tablespoons fine granulated sugar, beating after each addition until mixture stands in peaks but is fine drops. Swirl meringue on top of pie, touching it here and there to the pastry.

For a meringue using 3 tablespoons sugar, bake pie in a moderate oven, 350°, until meringue is set and delicately browned—bake the meringue using 6 tablespoons sugar in a slow oven, 300°.

So easy to adjust your favorite hard-wheat flour recipes to MONARCH Cake and Pastry Flour

For each cupful of hard-wheat flour required in your old recipe, simply add 2 tablespoonfuls when you use Monarch Flour. This addition is required because, by actual weight, Monarch Flour is lighter.

In every 7-pound bag of Monarch Flour, there are seven cups more flour than in the same weight of hard-wheat flour.

Frankie Pays $9,000 As Suit Is Dropped

BEVERLEY HILLS Calif., June 4 —(AP)—An assault charge against crooner Frank Sinatra by New York columnist Lee Mortimer was dismissed at Mortimer's request yesterday, and the writer told reporters that Sinatra had agreed to pay him $9,000.

The charge was dropped by Judge Cecil D. Holland in Justice court at the request of both sides of the case after Mortimer read a statement to the court concerning the incident at Ciro's restaurant here last April 8.

Mortimer's statement said, in part: "I acknowledge that I have received satisfaction for the injury done to me. Furthermore, Sinatra has publicly acknowledged that I did not call him the vile names he stated I called him."

The crooner, who wore a brown leather, fur-collared flying jacket, a cream-colored T-shirt and razorsharp gray slacks told reporters:

"I have no statement."

Refused Entrance

SEOUL, Korea, June 4.—(AP)—Lt.-Gen. J. R. Hodge today refused to permit a Russian news correspondent to enter southern Korea until Russians agree to allow all American correspondents in Seoul to enter Soviet-occupied northern Korea later.

Many species of lizards are able to detach their tails when pursued, in order to distract the foe.

Re-elected

J. G. NORRINGTON

Cosmopolitans Name Executive

J. G. Norrington, Jr. was elected president of the Edmonton Cosmopolitan club at a meeting of that organization held Tuesday in the Corona Hotel.

Other newly-elected members of the club executive are: 1st vice-president, O. L. Macdonald; 2nd vice-president, Ted Fladager; 3rd vice-president, Dick Edwards; secretary, Verg Nidérie; treasurer, Frank Lewis; chaplain, the Rev. D. C. Ramsey.

The board of managers for the coming year will be: J. Thorogood, Richard MacDonald, Trevor Schofield, Earl Berg and George Day.

The new officers will be installed next Tuesday at the regular meeting of the club by Roy Blakeley.

Outlines Aims Recreation Body

Aims and objects of the Edmonton Recreation Commission, and factors determining the success of recreation, were subjects of an address by Lionel Scott, technical advisor to the Edmonton Recreation Commission, at a Gyro club luncheon in the Macdonald hotel Tuesday.

COMMUNITY organization, he explained, is a process by which material resources of the community are harnessed for the people regardless of age, creed, race, or religion, so that the latter may enjoy a rich, full and happy life.

A competent staff is required he said, to carry out the aims and objects of a recreation commission.

In the success of recreation work, three objectives must be achieved. These are motivation, leadership and facilities. Motivation, said Mr. Spott is a "vehicle for expression of a way of life."

In regards to facilities, Mr. Scott emphasized these can be used to good advantage if there is good leadership.

The speaker outlined the program of the city recreation commission for this year and expressed a hope that individuals and organizations will get behind it to make Edmonton second to none in recreation facilities.

Announce Results First Aid Course

ELK POINT, June 4: Examination results were announced this week for a senior first aid course in St. John Ambulance work by Dr. F. G. Miller, who examined the class. Students were complimented on the high standard obtained, as no candidate obtained a mark lower than 88 per cent. Four candidates obtained a perfect mark.

The class had been conducted during the last seven weeks by instructor J. V. Jacobson.

Successful candidates were as follows. First Aid Certificate: Sydney Kates, Marion Johnson, Grace Miller, Virginia Arnold, Joyce Millholland, Mrs. N. B. Sumpton, Mrs. F. Hall, Ella Andrykiewicz, Stella Witowich, Samuel Melnyk and John Yacyna; First Aid Voucher (2nd course): Nick Wysocki, Eugene Dembicki, Vernon Raham, Andrew Borulski, Ignit Stelsko, R. E. Beattie, Doris Hall and Susan Johnson; Medallion (3rd, course): Roy Lambright, Arthur Vaughan and Samuel Saldan; Label to Medallion (5th course)—J. V. Jacobson.

Begin Exploration Work Near Westlock

WESTLOCK, June 4: Twenty two men, several with families, comprising the nucleus of what might be a larger crew, arrived in Westlock this week as Gulf Oil Company began exploration work over a million acre area between here and Whitecourt.

The men came from Red Deer where they had been employed in similar work in that area. It is expected that they will reside in the town for a year while they cover on foot accessible parts of the company's reservation.

Plans entail the use of a large aircraft, based at Edmonton airport, for exploration of inaccessible areas of the tract. The plane is fitted with wartime mine and anti-submarine detection devices adapted to commercial use, that will enable the operator in the plane flying over designated territory to map the subsoil topography for oil research.

CLERMONT-FERRAND, France, June 4.—(AP)—Five persons, including an infant, were burned to death and 27 others were injured yesterday when a railway car caught fire near here.

Season Two Weeks Behind

Warm Weather Urgently Needed By Prairie Crops

OTTAWA, June 4 —(CP)— Warmer weather is "urgently" needed in the prairie provinces, where the crop season is about two weeks behind normal, the Dominion bureau of statistics said Tuesday in the second of 11 telegraphic reports covering crop conditions across Canada.

TEMPERATURES and spring rainfall have remained below normal throughout the prairies and rain would be welcome in many districts. Frosts have been widespread but serious damage has been restricted.

Seeding is about completed in Manitoba where moisture reserves are still considered satisfactory with the exception of the southern Red River and Brandon areas.

A small percentage of flax and coarse grains remains to be sown in Saskatchewan. Germination has been generally fair to good but warm weather is needed if crops are to compete with the heavy growth of weeds.

With wheat seeding completed and about 10 per cent of the coarse grains still to be seeded, crop conditions remain uniformly fair to good throughout Alberta. Scattered showers and heavier rains at some points during the week replenished the drying top soil. Sub-soil moisture reserves remained satisfactory.

Three-Year-Old Is Living Upon Borrowed Blood

ALLENTOWN, Pa., June 4— (AP)—Chubby little Mary Ann Meyer frolicked gaily about her home yesterday unaware that she is living on "borrowed" blood.

She is, explained Dr. J. J. Wenner, chief pathologist at Allentown hospital, suffering from regenerative anemia, for which there is no known cure. It has forced her back to hospital 44 times since she was born there Nov. 23, 1944, and she has received 58 blood transfusions. The malady makes the body incapable of maintaining its own red blood corpuscles.

"Maybe tomorrow or the next day we'll find some way to help our child," says her father, Harry C. Meyer, a painting and decorating contractor.

"Maybe it will be next year. Who knows? But each month she lives the closer she is to that day."

Has Majority

AUCKLAND, N.Z., June 4. — (CP)—After winning the general election last November by a shaky margin, New Zealand's labor government now seems assured of a workable majority in the House of Representatives, and it is expected Prime Minister Fraser will be able to muster a majority of three even after the appointment of a speaker.

RN Admits Negroes

LONDON, June 4.—(Reuters)—Defence Minister A. V. Alexander announced in the House of Commons today that Negroes will no longer be barred from entering the Royal Navy or the British Army. They will be admitted on the same conditions as they have been admitted to the RAF for several years.

Admitted to Bar

GARTH K. EDGAR

Garth K. Edgar Admitted to Bar

University of Alberta student and athlete, Garth K. Edgar, was admitted to the Alberta bar by Mr. Justice Boyd McBride Tuesday in a ceremony attended by members of the Edmonton Bar and the general public.

Mr. Edgar was presented by Carl W. Clement, K.C., to whom he had been articled, and he will continue to be associated with the law firm of Smith, Clement, Parlee and Whittaker.

Born at Ranier, Mr. Edgar received his early education in the public and high schools of that southern Alberta town. He attended Calgary normal school, and taught school for several years prior to entering the University of Alberta. He received the decree of Bachelor of Education in 1945, and in 1946 his LL.B.

While at university he was awarded the Tegler special scholarship on completion of his first year in law school, and won the Executive A. Gold Award, which is the highest award of its kind.

He took an active part in university activities and was secretary of the Student's Council, and treasurer of the Law Club.

In his first year as a law student he was a member of the debating team which won the Hugill Trophy representative of intra - varsity debating supremacy, and in the following year he was on the university debating team which won the McGoun Trophy in competition with other universities in Western Canada.

He also took an active part in university athletics, representing the university on basketball, rugby and track teams. He is a member of the Zeta Psi fraternity, and recently was elected to the executive of the Edmonton Junior Chamber of Commerce.

To Film Stampede

CALGARY, June 4. — (CP) — Warner Brothers Studio of Hollywood will make a two-reel technicolor movie of the stampede during this summer's show, which will be shown in theatres all over Canada, the United States and Mexico.

Daughter: "Did you have many love affairs, daddy?"

Soldier Father: "No, child; I fell in the first engagement."

This Is Canada

A large part of Edmonton was wondering yesterday by what curious interpretation of international courtesy the papal flag was permitted to fly above the Red Ensign on the Ukrainian Uniat Church on 97th street.

In a widely-recognized treatise on international flag conventions, by E. H. Baxter, the following paragraph appears:

"Two national flags should never be hoisted on the same staff . . . Where two or more national flags are to be hoisted, they should be of the same size and should be hoisted on staffs of equal height. It is a serious insult to any country to hoist its flag underneath that of any other country."

It is the custom, so traditional as to be almost a part of our common law, that the standard of a foreign state, when flown in British territory, except above embassies, legations and accredited consulates, should be displayed alongside a British flag of equal size.

That is why Edmonton people were offended and astounded at the flagrant disregard of this custom in the case of the Ukrainian Uniat Church.

For the white and yellow standard of the Pope is just as much a national flag as the hammer and sickle of the Soviets, for instance. It represents the Vatican territory, a sovereign and independent state with all the machinery of self-government.

The most charitable interpretation of this breech of courtesy is that somebody forgot the usage which governs the flying of flags.

But it is not enough to let it go at that. After all, this is Canada. We may not as yet have decided upon a permanent design for a flag of our own. But so long as the Red Ensign occupies that official status, if only temporarily, no other national standard should be flown above it.

Men Who Make Things

Albertans are of course deeply interested in the annual meeting of the Canadian Manufacturers' Association, which is being held this week at Banff. They are interested for many reasons beyond the fact that this important gathering is taking place in an Alberta resort.

The Association represents one of the major factors in the national economy, a factor whose importance hardly needs emphasis now in any part of the Dominion. The war record of Canadian manufacturers is known at home and abroad as something in the nature of an industrial miracle. It demonstrated the capacity of those who operate this branch of the nation's productive effort. This capacity is one of the assets of Canada, an asset of outstanding worth because the efficiency and success of manufacturing enterprise must play an even larger part in the future of our country than it played in the past.

Three out of eight dollars of the national income are derived from export trade. This income must be maintained at something like its present volume if the financial legacies of war are to be met and the national standard of living kept at the present high level. The manufacturers will have to provide a large and increasing proportion of our export volume, because countries which now call upon us for abnormal amounts of farm produce and raw materials will become less dependent as they rebuild their own shattered agriculture and ruined cities.

Canadian factories turn out products of the highest quality. They can adapt their operations to meet changes in demand. They can expand their output quickly and indefinitely. The war record leaves no possible doubt of these facts. The more goods they produce, the more raw materials they must use, the more varied materials they must call for, the more labor they must employ, the more money they must put in circulation directly and indirectly.

Albertans understand these things as clearly as people in any other part of Canada. And they hope with confidence that as manufacturers become better acquainted with the resources of this province more and more factories will spring up in Alberta towns and cities.

For all these reasons, as well as because they are hospitable folks and justly proud of their mountain scenery, Alberta people welcome the manufacturers, hope they will have a profitable and pleasant meeting, and indulge a wish that they may come again and often.

Here — and There

People in Alberta have not paid many compliments to the spring weather with which they have been favored. But if "favored" does not seem to them to be the right word, they had better take a glance at the news from Ontario.

Flood conditions still prevail widely in the southern part of that province, its most productive area. Seeding is not finished there, in fact "farmers are losing hope of seeding as land is nothing but soggy mud." What seeds are in the ground are not germinating. Farmers who usually plant large fields of potatoes report "only a small acreage of early varieties in the ground." Tobacco-growers have not yet started operations.

The provincial minister of agriculture foresees a possible 70 per cent shortage in feed crops, with a certain or almost certain drop in the production of eggs, poultry, bacon, and perhaps "even meat." Officials of his department sent out word the other day that farmers had better plan on putting in "catch crops" of millet and buckwheat —weather permitting.

In Alberta seeding is about completed, and the gardens have been made. Operations were delayed about two weeks, but better weather and fast work have caught up with the schedule approximately. In a few limited districts frost has done damage, though less than at first supposed. Now if the "rain belt" will just shift from Ontario to Alberta, things in both provinces will look brighter.

* * *

It is recalled that Diogenes lived in a tub, so it seems there was a Hellenic housing shortage in his day.

* * *

The Calgary Herald confesses it can't see how the word "Christian" can be applied to political systems. Perhaps that's what's wrong with most of them.

* * *

The Toronto Telegram speaks of the monotony of a soldier's life, "eternally forming fours." The Telegram's information is somewhat out of date. British armies haven't formed fours for nearly a decade.

First the post office thanks us for cooperation in handling the Christmas mail Now the income tax office thanks us for getting our returns in punctually. We're learning.

Looking Backward

From The Bulletin Files

1887: 60 Years Ago

There will be a meeting in St. Albert on Sunday to elect officers of the St. Jean Baptiste Society.

A. E. Forget, clerk of the executive council for the North West, has left Regina for a visit to Montreal.

Mackenzie Bowell—not Alexander Mackenzie—is mentioned as the probable successor to Lieutenant-Governor Dewdney. There is more to be said in this gentleman's favor than in any of the other aspirants to the office that have thus far been mentioned.

Voting on the erection of the East Edmonton school district took place at A. McKinlay's. There were twelve votes cast in favor of the school and none against.

Dan Macrae lost a flatboat of potatoes in the rapids at Victoria, on the way to Battleford.

1897: 50 Years Ago

A London despatch says the report circulated some time ago that in view of the unsettled conditions prevailing in South Africa, the government has decided to transport an army corps of 30,000 men to that country is now confirmed by the activities displayed in the quarters of the military service corps in London, Aldershot, Woolwich, Shorncliffe, Portsmouth, Curragh and Davenport. The members of the army reserve in Natal have been notified to hold themselves in readiness. The Transvaal, it is reported, has instructed its field force thoroughly to patrol the Natal border and report instantly any suspicious movement. A circular has been distributed in the Cape and Free State from the Transvaal calling upon all Afrikanders for help.

1907: 40 Years Ago

A letter carrier service is being inaugurated in the city this week.

The first annual report of the Edmonton Public School Board has just been published.

Excavation has been started for the plant which the Swift Canadian Co. are to establish in the city.

An effort was made this afternoon by the proprietors of the Alberta hotel to raise the quarantine placed yesterday upon the hotel owing to the discovery of a case of smallpox there.

1917: 30 Years Ago

Vancouver: Strong protest has been lodged with the Railway Commission against the application of the railways for a boost of 15 per cent on passenger and freight rates as a war measure.

London: Eight out of eighteen German planes which took part in a raid yesterday on Essex and Kent were driven down by British birdmen.

Ottawa: Hon. Robert Rogers has retired from the government, pending a review of Judge Galt's findings by a Royal Commission.

1927: 20 Years Ago

Kotthus, Germany: Chamberlain and Leyine, trans-Atlantic fliers, were forced down at Eisleben, after setting up a new non-stop record.

Calgary: Two thousand feet of crude oil are standing in the casing well in the Skiff field.

1937: 10 Years Ago

Alberta's Debt Reduction and Settlement Act was declared in views of the judicial committee, an unanimous decision of Alberta's supreme court, which upheld a previous decision of Justice A. F. Ewing to that effect.

E. L. Gray, for a time deputy minister of municipal affairs and manager of the Eastern Irrigation district at Olds, was selected as Liberal leader at the convention in the city yesterday.

Announcement was made that the provincial legislature would reconvene to pursue further business interrupted when the spring session adjourned April 14th.

Robert Hedley, Normal school art instructor, retired after many years in the public service.

Grace McCready came in for special mention for hammering out a tying homer in a baseball game between North Edmonton Belmonts and the National Home Furnishers aggregation.

Today's Text

But is now made manifest by the appearing of our Saviour Jesus Christ who hath abolished death, and hath brought life and immortality to light through the gospel, — II Timothy 1:10.

THE UNSEEN AUDIENCE

by Webster

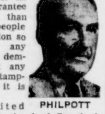

A Bill of Rights

BY ELMORE PHILPOTT

A parliamentary committee will soon consider a Bill of Rights for Canada. The idea is good. Every available means should be used to secure for human beings everywhere the four freedoms. When these are not already plainly written into the laws of the land, the laws should be changed to correct the weakness.

But laws are not enough—that is, laws merely on paper and not in fact. In the long run there is no other guarantee of freedom than an alert people —a people so jealous of any threat to democracy that any abuse is spotted out as it is attempted.

PHILPOTT

The United States is far ahead of Canada in the letter of the law. The Constitution of the United States theoretically guarantees to every American citizen freedom of speech, religion, and equality before the law.

But in plain fact the Constitution is ignored through several of the southeastern states. Negroes are denied, in fact, rights which they long since were supposed to have won on paper.

But there could be no greater mistake than to assume that—because rights granted in theory are not always granted in full in fact —that the theory act is empty or useless. History plainly shows that definition of "human right" on paper—and their proclamation into law—of the kind is the surest means of helping them to come true.

THE MAGNA CHARTA is the greatest landmark in British law which became the basis of the laws of the United States too. But the men who made the reluctant King John sign it were rich nobles. It took long centuries—with many ups and downs—to get the "rights" proclaimed in the Charter applied to all classes. But the fact that the rich barons had written better than they knew was the key to the ever wider extension of such rights.

Likewise in the United States. Every American schoolboy knows Patrick Henry's famous declamation: "Give me liberty or give me death."

When Patrick Henry uttered that ringing battlecry of the American Revolution he would have been horrified if anyone had suggested it should also be the right of the negro slaves on his own plantation. But within a hundred years the grandsons of those slaves were using Patrick Henry's great words to help win their own emancipation.

SURELY THERE is a grim irony in the fact that the proposed Bill of Rights for Canadians will be included in New British North America Act. That is, the British Parliament will be asked by our own to amend the law which is, in reality, the nearest thing we have to a Constitution of Canada.

Could anything be more humiliating? Canada is a full grown nation —in theory "equal in status" with Britain. Yet the great strapping Jack Canuck has to run to papa mamma every time we want anything really important done.

The brain doctors tell us that one form of mental ailment is what is called a "mother fixation." The full grown youth who has never been taught to stand on his own feet and make his own decisions, can't cut himself loose mentally from mamma's apron strings. If that goes on long enough—the results are just too bad.

When will Canada act her age? Instead of asking mamma to amend our constitution for us we ought to frame our new Constitution—proclaim it to the whole wide world.

Incidentally, nobody would be better pleased than the British about this. They have repeatedly intimated that they think the time is long overdue for Canada to grow up.

The proposed Canadian Bill of Rights would include "freedom of religion, freedom of speech and expression, freedom of the press, freedom of assembly." There would also be safeguards for minorities and against "arbitrary and abusive deprivation of life, liberty or property."

In brief, the proposed Canadian Bill of Rights would be the most modern and complete in any English-speaking democracy.

There is only one improvement that occurs to me. The draft, as proposed, ignores the most important or all rights—the right to eat—the "freedom from want."

Canada's Bill of Rights should certainly include "the right to work." This is even more urgent because Article 55 of the United Nations' Charter provides for "full employment." Article 56 says that "All members pledge themselves to take joint and separate action" to apply Article 55.

Cost Will be High

BY BRUCE HUTCHISON

The first instalment of the Truman Doctrine has been pushed through the Congress. A sum of $400 millions has been voted to bolster up Greece and Turkey against Russian Communism. But it turns out now that this is the first instalment only and the next instalment will have to be larger if the doctrine is to mean anything. The Congress finds, in fact, that the government is trying to commit it, one step at a time, to a vast outpouring of money to prevent not only the expansionism of Russia but the threatened collapse of the world some two years hence.

The great value of the Congressional debate on the Truman Doctrine was its partial clarification of the real issue now facing the United States. It is no longer a question of spending a few millions here and there. The real question emerging in this debate is whether the United States is prepared to spend billions for several years at least to save its foreign friends from chaos when their present loans run out some time in 1948.

* * *

THE GOVERNMENT has edged into this project gingerly with the modest appropriation for Greece and Turkey. It hesitates to reveal the full extent of its program all at once. But the Congress began to see — and Dean Acheson revealed it pretty frankly just before resigning—that the government is actually trying to recreate something like wartime lendlease on a huge scale simply because it believes that this will be cheap compared with the alternative, which is worldwide economic stagnation and political confusion beyond reckoning. Beside that prospect, Greece and Turkey are only pin points on the map.

The great question for the United States and the world is whether the larger program will go through or not. In the case of Greece and Turkey the Congress voted the money not so much with the major issue in view but as a stop-gap arrangement to "contain" Communism. The Greek and Turkish appropriations were sold to the Congress mainly as a weapon against Communism, not as part of a large constructive policy of world recovery. This was the familiar Presidential technique of shock treatment, and it worked.

But at the very moment when flesh in the pan

it was voting money to contain Communism, the House of Representatives voted to scale down general foreign relief appropriations from $350 to $200 millions, showing that it had hardly begun to understand what an adequate and constructive program involved. It is beginning to understand now. It sees that the larger issues involving billions of dollars in taxpayers' money, cannot be long evaded.

* * *

THE PROGRAM will continue to unfold. There will have to be a large appropriation soon for

Smiles

The office telephone was out of order, and a workman was sent to carry out repairs. After a time, the workman passed a street by which occupier of the office should call up an acquaintance in order to test the working of the instrument. The man called the telephone number of his own home. When the connection was made, he spoke into the transmitter:

"Marie! There followed a few seconds of waiting, and he repeated his call in a peremptory tone: "Marie!"

The storm that had been gathering broke at this moment. The telephone was struck by lightning and the man was hurled violently under his desk. Presently he crawled forth, dazed and confusion, and regarded the repair man plaintively.

"That's her!" he declared. "The telephone works fine."

* * *

Two fellows sat in a New York restaurant. Each had a cup of coffee in front of him, and a single newspaper was spread out on the table so that both might read at the same time.

The first pointed to a picture of the Dionne quintuplets. "Look at those quints," he said. "Another growing up to be charming young sters."

The second glanced at the photo. "Yeah," he grunted. "Sure — they are okay." He sipped his coffee and then spoke suddenly: "By the way, has Mr. Dionne become the father of any more quintuplets?"

The first man put down his cup. "More quintuplets?" he echoed. Of course not!"

The other lighted a cigarette. "Just as I thought," he murmured. "I always imagined he was just a man."

"Johnny," said his mother, severely, "someone has taken a big piece of ginger cake out of the pantry."

Johnny blushed guiltily, and fidgeted around.

"Oh, Johnny," she exclaimed, "I didn't think it was in you!"

"It ain't all," replied Johnny, "part of it's in Elsie."

* * *

He was well known at the club for slowness in paying his debts, also for his boasting, and his friend and acquaintances were tired of it. The other day he said in the club: "I've been to all the leading shops in the town, and I'm dashed if I can get what I want."

"What is it?" enquired a candid member. "credit?"

* * *

A man with more wealth than culture sent his son to a public school. When the boy came home the builder his father asked how he was treated.

"Oh, not so bad, Dad." said the youngster, "except that some of the masters and the fellows say I'm illiterate."

"What!" shouted the father. "You'll take your birth certificate back with you next term and show 'em different."

* * *

A stranger brought to the police station for speeding, when asked his name replied that it was Smith. "Have you your real name," he was ordered.

"Well," said the stranger, "put me down as William Shakespeare."

"That's better," the officer told him. "You can't bluff me with the Smith stuff.

* * *

"What do you earn?" a defendant was asked at a London police court. "I don't earn anything, was the reply. "I am a master man."

Crop Failures

BY HARPER PROWSE, MLA

Probably the most noticeable characteristic of our economy in Alberta and western Canada has been the fact that incomes have fluctuated greatly from year to year. This has been to some extent the result of price fluctuations, but to a greater extent it has been the result of weather conditions. Our welfare and prosperity has, and still does, depend on the amount of rainfall we get each summer.

An attempt is being made by the Canadian Wheat Board to stabilize prices. The indications are, especially if they receive reasonable co-operation from the farmers themselves, that they will be able to guarantee the farmer a relatively stable price year after year.

* * *

BUT EVERY farmer knows that a floor price is of no help unless he has something to sell. And when one remembers that in the southern part of this province there have been more than 20 crop failures in the past 30 years it is easy to see just how important this is. Although an attempt has been made to relieve distress through the activities of the PFA which provides for payments to farmers who have suffered crop failures this is merely palliative and does not cure the ailment.

In the summer of 1945 drought resulted in crop-failures and partial crop-failures in many sections of this province and other parts of western Canada. The result was that the gross value of the products of Alberta farms was $64,000,000 less than the previous year. The loss in gross value for the prairie provinces was $186,000,000.

Not only did this cause distress to the individuals affected but its effects were felt right throughout the Canadian economy. The western farmer had that much less money to spend. And while the special conditions existing in 1945 gave to the ending of the war cushioned the full impact of it, in an ordinary year it would have been felt by every industry in Canada and by every group of our population.

* * *

IT SEEMS rather obvious then that anything which could be done to prevent the full effects of recurring crop failures on our economy should be done without delay. While nobody has yet worked out a method of insuring adequate rainfall year after year, yet in certain sections of the province the problem has been overcome by the development of irrgation projects.

In the southern part of the province we now have approximately 600,000 acres under irrigation comprising some 4,500 farms. Because they have control over the supply of moisture for their crops these farmers know that rain or shine they can expect a reasonable return for their labors year after year. They enjoy a security which is impossible on dryland farms. And the thriving towns which have grown up in these districts are visible evidence of the value of irrigation.

Bulletin Readers Say:

Letters to the editor should be brief and discuss no more than one subject at a time. The name and address of the writer must be included, but not necessarily for publication if the correspondent so requests. Letters thus received become the property of THE EDMONTON BULLETIN and the editor, for obvious reasons, cannot undertake to enter into correspondence about them and reserve the right to delete extraneous or unduly controversial matter.

OUT OF PLACE

Editor, Bulletin. — On passing near the Ukrainian church on ninety-seventh street, I noticed that it is gaily bedecked for a consecration, which is to take place shortly. This is a commendable effort on the part of the parishioners. I also noticed, with a feeling of extreme revulsion, that a flag, apparently that of the Papacy, displayed in a position above the Canadian flag.

The policy of displaying of a flag is all very well and in its place over the Vatican, but all true Canadians should take it as a personal insult that the flag of a foreign principality be flaunted above our own.

You may argue that the Roman Catholic Church is universal and without boundaries. So is. I have no objection to that, but it is incompatible that people living in a free country should be thus insulted.

As for the persons responsible for this scandalous blunder, they should be thoroughly ashamed to call themselves Canadians.

DISGUSTED EDMONTONIAN

FORGOTTEN OLD VETS

Editor, Bulletin—Naturally we are all delighted to see the old age pensioners get their increase, God bless them.

Nevertheless, they, like so many other deserving cases, had the support of various organizations as well as the majority of the general public behind them.

But does anyone care if the "Old Vet" lives or dies or gets anything to eat?

We still struggle on in spite of poor health on $30 a month or $60 for husband and wife.

We wander from store to store trying to make both ends meet while hundreds of busy shoppers file past us with shopping buggies loaded with tempting foodstuffs. What a life! What a reward! Is it nothing to you, all ye who pass by?

"OLD VET" 1914—18.

* * *

VISITING WAR GRAVES

Editor, Bulletin: We learn from the press and the radio that Premier Hepburn of Ontario has just had the privilege of visiting parts of Europe to view the scenes of the recent war and to lay wreaths on the graves of our Canadian soldier dead. This is all very well, but it would be more fitting for the next-of-kin to have the same chance of paying their respects to their loved ones lying so far away.

Canadians do not ask that their dead be brought home for re-burial as the Americans are about to do at such abnormal public expense. (cf. Time Magazine, May 12), but they do think that an opportunity should be given to them to make a pilgrimage to those hallowed shrines where rests their warrior dead, who, I am afraid, gave so much for so little!

BABY OF TODAY

Editor, Bulletin: 'Let us turn from our puzzled contemplation of H.E. meetings, atomic bomb legislation to something far more important, viz., the means of race survival, the health of young, married people, the conditions of birth of babies, and their upbringing in fact, scientific breeding. In my opinion this whole matter is at the lowest grade in efficiency. Science, working for comfort, ignores nature. Girls are not prepared for marriage by the older generation who should have grown wise, but have not.

Throughout nature, the young animal arrives in this world to start a slow and normal development. But the baby does not enter the world at nature intended. Nature provides proper and absolutely sterile food for the baby, but science says no and feeds it like a colt. The people are so ignorant that they admire a big, soggy fat baby rather than the small, firm, not-too-fat child. They admire quick development.

Again and again, what is more pathetic than the young couple with a baby in somebody else's house? Some selfish people insist on quiet, keep their own radios, and the baby does not develop well owing to being trained not to cry, not to move, not to climb, investigate, and in other feel—exercise a normal baby must do. And worse, he often gets no fresh air.

Family allowances, although far smaller than army allowances for rifles and destructive implements, are a step in the right direction. But please, let us demand more government-provided cottages for serious married couples with young families, and subsidized babies, and compulsory mothercraft.

GRATEFUL TO GOUZENKO

Editor, Bulletin: I for one, am very grateful for Mr. Gouzenko for his determination to expose what was going on in Canada's very friendly country. The program under which the Russian people were born, includes the complete control of all nations on their borders. It includes the berating and belittling of British influence. Nothing could be more ungrateful than this, for Great Britain did not take a well-earned rest when Russia was turned on the Russians but harassed and blasted their supply lines . . . not to mention the perilous trips to Murmansk.

Some keep harping on the great expense in order to keep the spies who were found Not Guilty in the recent trials. I hope these slight words have helped to show that this country needs the co-operation of its scientists. People that have to be watched are not really making a war more than cancel out any part they may have taken in Canada's war-effort.

I hope the time is not far distant when the Russians will enjoy the same freedoms as we enjoy—freedom of speech, freedom of the press, freedom from regimentation under a few political leaders.

SUNDAY OBSERVANCE

Editor, Bulletin: The best citizen the world ever had summarized Sabbath observance when he said "The Sabbath was made for man, not man for the Sabbath; therefore the Son of man is Lord also of the Sabbath." Sunday observance is therefore a clear privilege and duty in a land of freedom.

But as "man" is not a mortal personality given to foolishness, but, essentially, the image and likeness of his Father, God, it follows that all beautiful and truly joyous ways of spending Sunday should be open to his choice.

Enjoy Sunday attending a morning church service, and spending the remaining day in lovely scenery or at concerts, studying fine literature, or in family games, swimming, or other harmless, health-giving entertainment.

ROBESON'S POLITICS

Editor, Bulletin: Mr. Paul Robeson, well-known vocalist, who is said to be a Communist, gave an entertainment at Toronto recently and is reported to have spoken on the radio to have expressed displeasure because Canadians objected to Communism. Communism is a high-toned word for slavery.

This country abolished slavery 154 years ago by the first legislature of Upper Canada in 1793. It may be true that slaves are provided with food and necessaries at all events as long as they are able to work for their master, but the people of this country prefer personal freedom and personal liberty—even though they have to provide for a living on their own initiative.

British people who derive their systems of government from British sources refuse to turn back the dial of time to fascism and dictatorship no matter how alluring the benefits are made to appear.

Seek Treasure Of Capt. Kidd

By IRVING WHYNOT

SUNNYBROOK, N. S., June 4—(CP)—A treasure trove search by bull-dozer is scarring long ditches in this South Shore village where pirate Captain Kidd is supposed to have watered and overhauled during a lull in his swashbuckling Spanish Main activities.

THE LATEST search for the long-sought pirate cache is being undertaken by 77-year-old John Faulkenham, whose only clue is a rockwalled drain which his father had struck with a pick 70 years ago while serving with a railway gang. Father told son and after many years of "thinking about it" John Faulkenham hired a bull-dozer a few days ago, got permission from the residents of the Hilly Lake district which borders the sea and started excavation.

Today, the native Nova Scotian who normally is engaged in the lumber business in Andover, Me., reported he had located a section of the drain which appears to climb a pine-tree studded hill to a lake. His theory is that the drain leads to a cave and the treasure trove. Faulkenham thinks the old drain was built to ensure the treasure, which he believes contains perishable riches, would be kept reasonably dry.

Both Captain Henry Morgan and Captain Kidd are believed to have made brief stays at various times in this Mahone Bay area 45 miles southwest of Halifax where hidden coves, a screen of hundreds of islands and deep water made conditions ideal for hiding booty — laden harquentine from the vigilant eye of His Majesty's fleet. The story is that they used to dodge into one of the many island-screened coves, careen the ships for scraping, take on fresh water and game—and, Faulkenham hopes—bury the odd chest of treasure.

This is Faulkenham's second attempt to locate the loot.

TWO YEARS AGO he tried to find it by digging with a pickaxe and shovel. But he was forced to return to the United States before he found a clue. This time the bull-dozer was successful in uncovering the wall of the drain.

"The bulldozer may cost me more but I'm getting more work done," the mustached treasure-hunter said in an interview.

"The wall is very old. Sections have fallen in and in other parts the soil has filtered through the rock indicating that the wall has been there a long time.

"THERE IS ONLY one explanation—It was used to connect a cave with the lake.

"I've got my mind set. I'm going to continue until I find the cave and what I'm looking for."

Spanish-Moor Relations Good

BY HENRY BUCKLEY

MADRID, June 4—(Reuters)—Spain's keen interest in good relations with the Arab world is exemplified by the recent agreement with Transjordan for establishment of diplomatic relations between the two countries.

Madrid has named Don Manuel Aristegui, consul-general in Jerusalem, as her first minister in Amman, Transjordan capital.

But the key to Spanish-Arab relations lies in the Spanish protectorate in Morocco, where Caliph Phince Muley el Haanan Bel el Mehdi rules as representative of the sultan of Morocco, Mohammed Ben Yusef, under the guidance of Gen. Jose Enrique Varela, the Spanish high commissioner.

A recent Tangier speech of the sultan of Morocco received much attention in Madrid, particularly his reference to the future independence of Morocco.

Spaniards believe that, despite the long struggle between themselves and the Moors, particularly between 1909 and 1925, relations between Spain and the 18,600-square-mile protectorate and its nearly 1,000,000 inhabitants now are good.

Franco not long ago reorganized the government of the caliphate, adding three new ministries, public instruction, agriculture and finance.

Woodward's Suggestions FOR THE JUNE BRIDE

TELEPHONE 22181

You'll want to give that starry-eyed bride-to-be, a wedding gift she will cherish for a long time. Woodward's offers suggestions for gifts that will please the bride and make her home more charming. Here are gift ideas to endear you to both bride and groom for a lifetime.

TOWEL SETS

"Cannon" towels - - the ideal gift for the bride-to-be. This set consists of bath towel, face towel and face cloth, in soft pastel shades of green, gold, blue, peach and rose. Attractively boxed and cellophaned.

At Woodward's, set
$2.73 and $3.41

Printed Tablecloths

Gay little cloths for the dinette or kitchen table - - - colorfully printed in smart designs.

At Woodward's
Size 36 by 36 inches $1.95
Size 52 by 52 inches $2.98
Size 52 by 68 inches $3.89

BRIDGE SETS

Colorfully designed bridge sets with fruit and floral patterns on white grounds. Size 36 by 36 inches, with 4 matching serviettes.

At Woodwards, set
$2.29

"Percale" Sheets

A gift to cherish . . . give the June bride "Percale" sheets, closely woven of finest quality cotton yarns. Soft and smooth and even - - - sheets with permanently straight even hems, neatly hemstitched. At Woodward's
Size 81 by 108 inches, pair $8.95
Size 72 by 108 inches, pair $7.95
PILLOW CASES TO MATCH, Size 42 by 38½ inches, pair $2.45

Linen Guest Towels

Linen guest towels in white and cream with lovely designs worked in contrasting shades. Neatly boxed.
At Woodward's, pair $1.89

LACE VANITY SETS

A gift that will delight the June Bride - - - three piece vanity sets in fine lace. Light and dark shades.
At Woodward's
Set ..... 79c to $3.89

For Summer Sports
MEN'S BOYS' AND YOUTHS' LOAFERS
Ideal for summer sports - - loafing - - and hiking, these sturdily constructed loafers for men, boys and youths.
At Woodward's,

Dimaggio Grabs Batting Lead

Giants Bounce Back With Win Over Cubs

NEW YORK, June 4 —(AP)— Just in case you have not seen the National League standings today, New York Giants are back at the top of the loop all by themselves again.

The New Yorkers turned the trick last night when they defeated Chicago 8-3 to break their leadership tie and move a full game ahead of the Cubs, now only three percentage points ahead of the third-place Brooklyn Dodgers.

MEL OTT'S BOYS collected 10 hits off starting pitcher Doyle Lade and his two successors but half of them were of the extra base variety including home runs by Willard Marshall, Walker Cooper and Sid Gordon. Meanwhile, Dave Koslo went the route for New York, for his fifth victory.

At Brooklyn, Rex Barney received credit for two wins as the Dodgers won both ends of a doubleheader from Pittsburgh Pirates 11-5 and 8-7.

Barney started the opener but left for a pinch-hitter in the sixth inning when Dodgers scored four times to take a 10-4 lead. In the nightcap he came back in a relief role and stopped the Pirates as Dodgers proved ahead to win.

Batting of the first game in was playing Pirates announced in the sixth inning of the first game by the end of the remainder of the game under protest after he charged Pee Ine Reese of Brooklyn, in beating out a bunt, interfered with catcher Clyde Kluttz.

Pushing across three runs in the fifth inning — two of them on Stan Musial's fifth homer of the season—St. Louis Cardinals shut out Boston Braves 3-0 to snap Lefty Warren Spahn's winning streak at eight games. George Munger got credit for the victory.

At Philadelphia, veteran Schoolboy Rowe came through with his first win of the season to defeat Cincinnati Reds 4-1 and snap a four-game Phillies losing streak. Eddie Miller hit his fourth homer of the season in the seventh.

EVEN IN THE AMERICAN League, Frank Shea, 24-year-old rookie who pitched New York Yankees' first two games of the year by shutting out the first place Detroit Tigers, got Shea, who gave up five hits for his sixth straight victory bested Detroit ace Hal Newhouser who gave up six of New York's eight safeties in his seven innings. John Lindell and Dimaggio got four straight hits off Newhouser to take the league batting leadership from teammate George McQuinn.

At St. Louis Bob Dillinger singled home the tying and winning runs in the ninth to give the Browns a 4-3 victory over Boston Red Sox.

LEFTY FRANK PAUL stopped Philadelphia Athletics on three scattered angles as Chicago White Sox won 5-0. Sox bunched three hits off seven hits off Toronto-born Joe Coleman for all their runs in the contest.

In the other A. L. encounter, Gerry Priddy slammed a home run with two of the season—in the ninth inning to give Washington Senators a victory over Cleveland Indians 6-5. Old Bobo Newsome, allowing 10 hits to his team's 11, got credit for the victory.

Four Victories in 6 Impress Experts

Sarazen Thinks Locke Potent Threat in Open

NEW YORK, June 4 —(AP)— Gene Sarazen, winner of the United States open golf title in 1922 and 1932, would not be a bit surprised if Bobby Locke of South Africa, ended the 27-year reign of American linksmen in the 1947 open championships at St. Louis next week.

Sarazen insisted Tuesday that the ruddy-faced visitor, who has averaged 69.88 strokes per round in the six tournaments since arriving in the United States is the best golfing importation since 1920, when the open went to Ted Ray of Great Britain.

SARAZEN ISN'T alone in some phases of his predictions. Jimmy Demaret, who with Locke and Ben Hogan likely will start as favorites in the open, declares the former RAF flier is "straight from tee 'to green" and Fred Corcoran, Promotion manager of the Professional Golfer's Association, lists the visitor as an excellent putter.

Locke's putting is so outstanding that he is known as "Puttin Pete" among his travel companions in various tourneys.

IN CONTRAST to the United States style of hitting the golf ball, Locke seems to swing through the pellet with a syrup-smooth movement that sends it directly down the centre of the fairway.

Despite his relaxed attitude, Locke usually winds up spectacularly. He won the Carolina by being 14 strokes below par. He triumphed in the $15,000 Philadelphia Inquirer meet two weeks ago by making up 10 strokes on Hogan on the final day while playing in rain, mist and wind.

LAST WEEK in the Goodall at Boston he trailed Vic Ghezzi at Kansas City by three points at the start of the final round—but won by four.

It is finishes such as those that have netted him approximately $8,250 in eight weeks.

Locke leaves for London and the British Open immediately after the St. Louis meet.

Gun Club Experts Post High Scores

Members of the Edmonton Gun Club continued to set a hot pace at both skeet and traps, despite a stiff cross-wind that made conditions difficult.

It was another active shoot with eleven squads banging away at the traps and two squads at skeet.

BUD BROWN, who was among the skeet experts when the wind was at its height, chalked up a perfect 25 to lead the way in that department. Walter Muirhead, Bob Edmonds second spot with 24 and Bill Hodge had 21. Rob Turner and Babe Gaucher each posted 20's.

Bill Davis and Bill Hoadley were the top men at traps with a pair of 24's, just one short of perfects. Walter Muirhead, W. Lothian, Pat St. Peter, G. Craddock, Babe Gaucher, Bill Majeau and Bob Patzig scored 23's. Joe Dory brought down 22, H. Porter, J. H. McPherson and John Michaels, 21, and V. Ingram, H. Davis and Miles Palmer, 20.

Some of the members have already established their handicaps by shooting three squads and are now engaged in competition for the Turvey and Graham trophies.

Montreal 2-1, Syracuse 1-0.

Home runs: National—Mize, Giants 16. American—Keller, Yankees 12.

Cub Short

RALPH DeMARCO'S play at shortstop for the Cubs has been consistently good ever since the Big Four league opened. The Oakland, Calif. boy finished off five fielding chances without a slip against Eskimos last night and he got a double play under way in the fifth. Cubs and Eskimos meet again tonight, with Lyell Rodgers and Ed (Lefty) Belter probable starting pitchers.

Leafs' Juniors Beat Highlands In Soccer 5-0

Junior soccer returned to Clarke Stadium last night when the Maple Leafs tangled with Highland Buffaloes in the first game of the 1947 schedule. The Leafs, provincial junior kings, bounced to a 5-0 triumph on the strength of their sharper ball handling and stronger defensive play.

Jimmy Stewart and Kenny Watson provided the blueshirts scoring punch, each pumping home a brace of goals. Scotty Thompson, shifty forward, notched the other Leaf marker.

STEWART RAPPED his pair of points between the uprights in the first half. Watson sent the Leafs three-up before the second half was three minutes old. Twenty-seven minutes later Thompson sifted through for his goal, and at the 33 minute mark Watson scored his second of the piece from a goalmouth scramble.

Leafs had an edge in the territorial play and showed greater stamina over the distance. Eric Patterson, Maple Leaf halfback, turned in the defensive game for the winners.

LINEUPS

MAPLE LEAFS—D. Mitchell; B. Mayson, J. Rose; R. Parks, B. Purkiss, E. Fowler; D. Brown, K. Watson, B. Green, J. Stewart, R. Thompson.

Calder Juveniles Whip Westmount

Capitalizing on the opposition's nine errors, the Calder Juvenile Westmount an 11-4 setback on the former's diamond last night in a Commercial Juvenile Baseball League encounter.

Bob Soubries, who struck out nine, was on the mound for Calder, with Gerald Massey catching. Mickey Rogers struck out three for Westmount and Vic Burton was behind the plate.

LONDON, June 4, (AP)—Lloyd Marshall, Cleveland welterweight surprising fifth round knockout Tuesday night over Freddie Mills, sending the British light heavyweight champion's hope of a return bout for the world title held by Gus Lesnevich.

Clutch Hitter

Always dangerous with the stick when men are in the paths, Ralph Morgan has been doing especially effective work with the willow this season. His first hit Tuesday night advanced Seaman to third from where Jerry scored the tying run for Eskimos on Doug Stevenson's infield out in the fourth inning. Morgan later came in with the winner on "Toad" Garnett's single and he drove in two runs in the fifth.

Race Results

CALGARY, June 4 — (CP) — Victoria Park race results for Tuesday:

To Settle Title

PHILADELPHIA, June 4 (AP)— A final settlement of the long-disputed lightweight boxing championship was promised today with signing yesterday of Philadelphian Jackie Montgomery and Ike Williams of Trenton, N.J., for a 15-round title bout here Aug. 4.

Pros and Amateurs to Co-Operate

Hockey Congress Plan Gets NHL Approval

MONTREAL, June 4 —(CP)— Action to organize a "general hockey congress" as a forum of professional and amateur bodies to promote the national game was approved Tuesday by the National Hockey League governors at their annual meeting here.

The six governors endorsed the motion to co-operate with the minor professional leagues and all amateur bodies to stage the congress promptly in conjunction with the Canadian Junior playoff next year.

THE GOVERNORS also voted to stage annual all-star games, with the first one at Toronto next Oct. 12, set up awards of $1,000 for the player leading the league in point scoring with $500 to the runner-up, and voted a $500 award to each member of the second all-star team this year. For the first time, members of the first team received $1,000 each, but the second string men got nothing.

The league governors also reviewed the schedule, a 60-game affair which opens Oct. 15 and closes March 21, and decided to have some minor revisions made before giving it final approval.

THE PLAYER'S pension plan was studied, and League President Clarence Campbell was authorized to appoint a committee to meet with the player representatives. Time and place of the meeting was not set.

Fireworks broke out in the afternoon session over the sponsorship by-law. It was learned. Spearheading the attack was Maj. Conny Smythe of Toronto, who pressed for revisions in the law under which NHL teams sponsor various senior and junior amateur crews. Only change made after raising from $1,500 to $2,000 the remuneration any team taking a player from such an amateur club must pay the sponsoring team.

THIS MONEY, under the agreement, is used by the pro team to develop the amateur game.

While trade talk was in the air, no deals were announced. Montreal was reported anxious to get Gaye Stewart from Toronto, but Leafs return demands were too heavy. Alex Kaleta, Red Hamill and George Allen of Chicago also were reported available in a waiver deal, but final approval is yet to come, it was learned.

Eskimos Push Cubs Into League Cellar

Henderson Club Ties With Buffs For Second Slot

Eskimos backed up Ray Millie's six-hit pitching with sharp fielding and pounding out 11 hits off pitchers Stan Curry and Johnny Gray in racking up a 7-1 victory over Cubs in Thursday night's Big Four Inter-City Baseball League game at Renfrew Park. Chuck Henderson's club now is tied for second place with Calgary Buffaloes.

Both Millie and Curry were making their Renfrew Park debut and although the Cubs' chucker breezed through the first three frames, striking out four, three of them in the third, he ran into trouble in the next two frames and finally gave way for a pinch hitter in the last of the fifth.

MILLIE, the Eskimos' new lefty from Ventura, Calif., got better as the game progressed and after Tony Chulla found him for a single in the opening inning allowed no more until Lippincott connected in the fifth. Cubs got two in the seventh and a couple in the eighth without scoring.

"Toad" Garnett, playing in left field, contributed the fielding feature and his running one-handed catch of Doug Lane's drive into deep left centre in the fourth was the best of the season. The catch may have saved the game for the Eskimos, for there were two out at the time and Lane easily could have made third.

MILLIE SEEMED a trifle unsteady at the start. Chulla opened with a single and although Al Sutherlin forced Tony, he stole second, went to third on a passed ball and came home when Clovechok lifted a high one to Stewart in centre.

Curry started off the fourth by walking Seaman and he struck out Price, but Morgan singled and Seaman came home with the tying run as Stevenson was being tossed out. Chulla to Lane. Garnett drove in what proved to be the winning tally in the fifth as Seaman and Stewart also singled before Curry got Thomas on strikes.

ESKIMOS CAME BACK up the contest in the fifth when with one down, Garrett and Seaman both singled off Curry. Price forced Garrett came in on a wild pitch. Ralph Morgan sent two more runs streaking across the plate as Stevenson hit into a double play —DeMarco to Chulla to Lane—to end the inning and Curry's pitching chore for the night.

Johnny Gray worked the last four frames.

Summary:

Earned runs—Eskimos 6; two-base hits—Stevenson, Garrett; sacrifice hit in - Clovechok, Stevenson, Garnett. Morgan 2. Bases on balls—Millie 2, Curry 2. Price. Double plays — DeMarco to Chulla to Lane, Price to Seaman to Morgan; struck out—Millie 6 (Garrett 2, Thomas 2, Millie, Price), by Gray 4 (Stewart, Millie 2, Morgan), by Millie 2 (Currie, Masikewich); first on balls—off Currie 3 (Seaman, Price, off Millie 3 (Martin, Lippincott, Lane); 9 runs, 7 hits off Currie in 5 innings; 2 runs, 4 hits off Gray in 4 innings, losing pitcher - Currie; passed ball - Stevenson; hit by pitcher - Martin (Millie); wild pitch - Currie; left on bases—Eskimos 6, Cubs 7; time 2.01; umpires - F. Lupul, H. Coxford.

BULLETIN

Precisions Slice Cakes 12-2

Davis Pilots RCAF As Airmen Trim Moose

RCAF Aces, with pitcher Tiny Davis at the controls, bombed the previously unbeaten Moose fastball nine for their first victory of the season at Kingsway last night. Precision Machine slaughtered Dainty Cakes 12-2 in the second half of the doubleheader.

Aces had to fly high to shatter the Moose win streak at five games. Going into the bottom half of the ninth it was all even at 1-1 and Phil Buttar on the Moose mound was still serving up a tricky kind of pitch that the Aces couldn't lay wood on. Then, with one out, Maurice Lamey lashed a double to centre. He went to third on a passed ball, and scored the winning point when Joe Dent pounded a single to short.

DAVIS WAS sensational. He allowed two scattered hits and sent 16 Lodgemen to the pit on strikes.

Aces tallied their first run in the initial frame on Grier's single and Bill Lapointe's long double to centrefield. Moose deadlocked the count in the sixth when Eddie Govan singled and crossed the platter on two passed balls.

PRECISION MACHINE were geared to a fast clip in their duel with the Cakes. Art Zeavin was the first of two baker chuckers and in the initial three frames the Morton sign in the second and made the circuit with a rocketing smash over the ECD advertisement in the third.

MANNY FEFFERMAN replaced Zeavin in the third and held the Machine crew two runs in the remaining six innings. Dainty Cakes counted their markers in the third frame.

Score by Innings:									
Moose	000	001	000	—	1	2	2
RCAF Aces	100	000	001	—	2	7	2
Buttar and Ash; Davis and Tompkins.									
Precision Machine	134	020	000	—	12	9	0
Dainty Cakes	002	000	000	—	2	4	5
Omychuck and Collier; Zeavin, Fefferman (3), and Sinecter.									

North Side Legion Play RAF Tonight

The RAF fly into soccer action against the North Side Legion at Clarke Stadium tonight at 7:15. The Legion are the second semi-final round for the Vets Martin Trophy with this evening's winner entering the final against South Side Legion Saturday night.

The following RAF players will dress for the match: Jordan, goal; Wilkie, Simmons, backs; Thompson, Tredevin, and Fifield, halfbacks; Evans, Deas, Leyshon, Lewis, and Sparkes, forwards.

Civic Block Trips Firemen 14 to 11

Civic Block came through with a 14-11 win over Fire Department in a Men's Intermediate League fastball game last evening.

Glen Stewart poled out a couple of home runs for the losers, connecting for one in the third with the bases empty and another in the sixth with two on. H. Milligan pasted out a three-bagger for Civic Block in the third with a runner on base.

Fire Dept.	021	013	400—11
Civic Block	022	331	30x—14

Bell and Stewart; LeBlanc and Dawe

Canada Packers Shade Woodward

Canada Packers squeezed out a 9-7 triumph over Woodward in an Intermediate Ladies' Fastball League match at Diamond Park last evening.

A highlight of the contest was a towering home run in the third inning by F. Ewasiuk of the Packers.

Packers	402	010	02x	—	9	12	3
Woodward	200	211	000	—	7	3	0

M. Herbert and E. Sutherland; F. Ewasiuk and M. Wilson.

One-Sided Scores In Fastball Tilts

Canada Packers walloped Burns 16-2 and Taylor and Pearson trounced Alberta Poultry Producers 23-7 in a couple of one-sided men's Intermediate League fastball games last evening.

Packers	130	410	5—16	14	2
Burns	000	020	0—2	3	7

T. O'Donnell and T. Flatt; Melnyk and Joe Warner.

T. Pearson	214	504	1—23	19	6
APP	001	231	2—7	9	6

Brunner and F. Thomas; Horne, Lang and McCarthy.

'Varsity Grid Test

TORONTO, June 4 (CP)—The University of Toronto senior football team will travel west for exhibition games with the University of Alberta and the University of Saskatchewan before the eastern football season opens this fall.

Future Up to Canadians

Challenges Canada Youth Make Good in Native Land

ANTIGONISH, N. S., June 4 — (CP)—A challenge to Canadian business to stem the exodus of Canadian youth to the United States was issued today by Neil MacNeil, assistant managing editor of The New York Times.

MACNEIL, IN a speech to the convocation of St. Francis Xavier University here, also challenged members of the graduating class to remain in the country, saying that "Canada's future will be what Canadians make it."

"Since Confederation more than 4,000,000 Canadians have crossed the border to stay," MacNeil told his audience, adding that perhaps a third of Canadian stock now was in the United States.

"Canada has supplied the United States with some of its ablest thinkers and administrators. In fact you will find Canadians in every line of intellectual effort for they rise to the top and hold their own with the best. They write American books, paint American pictures, compose American music."

HE LISTED THREE major reasons for the United States' success in draining away the cream of Canada's trained youth:

1. "In the United States the accent is still on youth. Americans are not afraid to give a young man a chance.

2. "Americans are willing to pay well for intelligence in most fields of human activity . . . opportunities for the ambitious young man or woman of brains and imagination are almost unlimited and he or she is welcome to make the most of them."

3. "The United States offers unparalled opportunities for workers in the creative arts . . . right now New York is probably in this respect the intellectual centre of the free world. It tends to outstrip the rest of the United States as well as Canada, there the brain worker gets both fame and fortune; and Americans do not begrudge him that which he wins on his ability. They are ready to honor talent as well as pay for it."

Honeymoon Romps To World Record

INGLEWOOD, Calif., June 4 (A P)— Honeymoon, great sprinter from the Harry L. Warner stable, Tuesday set a new world seven furlong record of 1:21 4 fifths in capturing the featured $5,000 race at Hollywood Park. Double F. F. was second and Miss Doreen third.

In setting the new mark, Honeymoon, former pride of the Louis B. Mayer stable, clipped one-fifth of a second off the 1:22 mark first hung up back in 1906 by Rosenberg and equaled in 1935 by Clang, in 1945 by High Resolve and in 1947 by Galla Damion.

JACKIE WESTROPE, who had piloted three other winners earlier Tuesday in a riding race with Ralph Neves, winner of three previous victories, was atop Honeymoon, which paid $5, $3.10 and $2.20. Double F. F., with Neves aboard, two lengths behind, paid $3.40 and $2.80 and Miss Doreen ridden by J. Nichols, paid $2.30.

Asks More Money For Farm Budget

OTTAWA, June 4 — (CP) — Greater federal expenditures to boost farm production were urged in the Commons last night by Percy Wright (CCF-Melfort) as the house opened discussion on the 1947-48 estimates.

Directing fire at Agricultural Minister Gardiner's estimates, the western member said larger expenditures would be justified by the fact that under present conditions farming was not a sufficiently-lucrative industry to attract Canada's youth.

Ex-CCF Member Liberal Nominee

SASKATOON, June 4.—(CP)— L. C. Sherman, Saskatoon salesman and former member of the CCF party, last night was chosen Liberal candidate for Saskatoon provincial constituency. His nomination was supported by Mr. Sherman once taught in Saskatoon schools. "I intend to fight the CCF with all that is in me," he said in accepting the nomination. "I won't do any punching below the belt, and I hope they'll treat me the same way."

Says Canada Must Increase Imports

BANFF, Alta., June 4—(CP)— Sir Frederick Bain of London, president of the Federation of British Industries, said here last night that Canada must be prepared to accept more imports if "she is to retain Britain as her customer."

Sir Frederick addressing the annual dinner in connection with the national convention of the Canadian Manufacturers Association, said international trade is the thread from which the fabric of peace is woven.

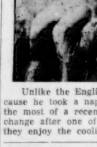

Referring to the international trade conference at Geneva, the FBI president declared that "complete failure" would be the greatest disaster facing mankind.

Fountain of Youth

Unlike the Englishman who said he "missed summer last year because he took a nap," these London children lose little time making the most of a recent rare spell of warm, sunny weather—a welcome change after one of the worst winters in the country's history. Here they enjoy the cooling waters of a fountain in Brockwell Park.

Honeymoon Romps To World Record

Fabulous Political Figure to Retire

JERSEY CITY, N. J., June 4.— (AP)—Mayor Frank Hague, whose fabulous career as a political leader carried into the modern scene the excitement and fire of another era, announced with sudden abruptness today his retirement from office. The 72-year-old Democratic leader who fought his way out of the poorest district of Jersey City to become one of the United States' most durable and powerful of democratic figures told reporters hastily summoned to his city hall chambers that he would step out as mayor on June 16—the 30th anniversary of his election to the post.

Liners Will Run London to New York

LONDON, June 4 (Reuters)— The Cunard line's passenger cargo liners Media and Parathia, now being completed, will be used for service between London and New York and not between Liverpool and Canada as was expected, it was learned today.

Horses Burned

GRENVILLE, Que., June 4. — (CP)—An early morning fire today destroyed a barn at the Arnold-Ewald farm, and 38 pedigreed horses, for which the farm is famous. Total loss has been estimated at $100,000.

Fossils were known to the Greeks in the 6th century, B.C.

"NERVES" She Called It

Losing interest—losing friends—she never went out any more—always tired, "Nerves," she thought—but it was her kidneys—the filters of her blood—that needed attention. She used Dodd's Kidney Pills at once. The improved action of her kidneys helped to clear away blood impurities and excess acids. Fatigue, backache, headache, lack of energy disappeared. Dodd's Kidney Pills contain essential oils and medicinal ingredients that act directly upon the kidneys—and help restore their normal action. 144

AMA Membership Shows Increase

Membership in the Alberta Motor Association is steadily increasing, Walter C. Caton, secretary-manager of the organization announced at a luncheon meeting of directors of the Edmonton branch of the association in the Club Roosevelt on Tuesday.

Mr. Caton stated that regular members obtained during the month numbered 900, an increase of 200 over the same month of 1946. Associate members went from 526 to 666, or an increase of 140, making the total increase 340. At the end of May, the Edmonton branch had a total of 13,350 members, made up of 7,720 regular and 5,630 associates.

Oil surfacing of the Jasper highway will be urged by the association in recommendations which will be made to the Hon. W. A. Fallow, minister of public works. The action was moved at a meeting by Fred Turnbull. The board of directors considered the possibility of opening a tourist information bureau in Jasper for the months of July and August.

"To create greater interest in safety and safety education," a proposal by Howard Stutchbury, of the Edmonton Safety Council, for a safety essay competition was approved by the board. The essay contest would be divided into four sections, covering safety in the home, on the street, at play, and against fires. Funds for prizes for one section, dealing probably with pedestrian safety, will be provided by the AMA branch.

Elmer E. Roper, MLA, drew attention to speedway and careless driving instances in the city. He suggested road centre lines as a safety measure. On his motion, the matter was referred to the civic affairs committee.

R. A. Godson said that in Calgary extensive street marking had been carried out.

Director Waller A. Crawford reported that the annual school safety patrol banquet will be held at the Macdonald on Thursday evening, June 26, sponsored by the AMA branch.

Overnight Service London to Nassau

NASSAU, Bahamas, June 4 (Reuters)—Lancastrians of British South American Airways Corporation will open Friday a weekly overnight service from London to Nassau. Planes will stop at the Azores and Bermuda on their way to Nassau and will go on to Jamaica to connect with the corporation's routes to Venezuela, Trinidad and South America.

Challenges Issued By Westmount Nine

Westmount players of the Intermediate Baseball League are all pepped up to play baseball, but can't seem to find enough of it.

They are on the league with North Edmonton and Rossdale, but their baseball desires are far from satisfied, so they have thrown out challenges to any teams in the city or country which are over juvenile age.

Manager and Coach George Morris said last night that the boys had no aspirations of setting up a long string of victories—they just want to play more baseball.

Rutherford Group Elects Officers

Election of new officers took place at the last meeting of the Rutherford Home and School Association.

The Rev. Canon Hatfield, retiring after three sessions as president was replaced by M. B. McKim. J. Sandercock was named vice-president and Mrs. W. G. Wayne was elected secretary-treasurer. Named to the executive were Mrs. L. Goodall, W. Berth, H. G. Whittingbalk, Mrs. W. D. Pollock, W. G. Wayne and H. W. Hunter.

Mrs. Scott was elected membership convener with Mrs. Willberg named as publicity member and Mrs. Johnston made social convener.

Immigration Plan Talked by Labor

A resolution urging Canadian Trades and Labor Congress officials to take "immediate and forceful action" to bring the immigration policies of the Congress to the attention of the Federal Government, was approved by the Edmonton Trades and Labor Council, AFL, at its regular meeting Tuesday night.

This was followed by endorsation of a protest from the Fort William Trades and Labor Council against the alleged granting of permits to industrialists to go to Europe and bring workers back to Canada.

In a letter to the Edmonton organization, the Fort William council charged that the practice transfers the handling of immigration from the hands of the government to the industrialists and lowers the standard of living.

Recover Diamond Valued at $24,000

HAVANA, June 4—(AP)—Jewel experts today examined a diamond which president Grau San Martin received from an anonymous person Monday and recognized it as the same gem stolen from its concrete bed in the floor of the rotunda of the capitol building. The experts estimated the diamond's value at $24,000.

Richards to Ride Derby Favorite

LONDON, June 4 (AP)—Gordon Richards, champion British jockey, said Tuesday he would ride John Dewar's favored Tudor Minstrel in the Epsom Derby Saturday.

He had never before ridden both Tudor Minstrel and King George's Blue Train, a mudder which now is a dountluff starter because of the hard turf at Epsom. If the Royal colt runs he will be ridden by Jockey Michael Beary.

Richards, 45, never has won the derby.

Former Distillery Chairman is Dead

TORONTO, June 4.—(CP)—Word was received last night of the death in England of Peter Mengies Dewar, former chairman of John Dewar and Sons, Ltd., distillers of Perth, Scotland. Mr. Dewar had visited Canada several times. Present chairman of the company is J. A. Dewar, owner of the derby favorite Tudor Minstrel.

Burns should be covered immediately and kept covered until competent medical attention is obtained. Burns are sterile when sustained but may become infected by careless handling.

WAKE UP your DIGESTIVE TRACT

For Real Relief from Indigestion Due To Constipation

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking something for your stomach if the true cause of your trouble is constipation.

For liquid laxative is not in the stomach at all. But in the intestinal tract are 20 ft. of food and poison. And when the lower part gets lazy, food may fail to digest properly.

What you want for real relief is something to wake up your lower intestinal tract. Today, bring to them it act effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take as directed. They gently aid effectively wake up your digestive tract. The purple Nature's Remedy (Nature's Laxative) is your best bet for 65 years. To get genuine relief from the misery of constipation, insist on Carter's Little Liver Pills.

Buy Carter's Pills today. Use Wake-up your intestinal tract for real relief from indigestion, caused by constipation.

Refuse to Extend Aid for Drought

OTTAWA, June 4—(CP)—Federal aid to drought-hit western farmers under the Prairie Farm Assistance Act is not likely to be extended to the rest of Canada, Agriculture Minister Gardiner indicated in the Commons yesterday.

The minister was answering a question while a solution preliminary to amendments in the PFAA was passing through the House. The resolution was approved, and the amending bill will be introduced Wednesday.

Mr. Gardiner said new legislation would have to be "entirely different," from the PFAA, which covered only drought.

The amendments will provide:

1. That two schedules of payment provided under the "emergency year" section and the "crop failure" section be merged and become payable in any year.

2. Elimination of the requirement that a minimum number of townships be hit by drought before crop failure award is payable.

3. Removal of restrictions regarding minimum production of wheat before payments are made.

4. Clarification of some clauses to facilitate administration.

Hazen Argue (CCF—Wood Mountain) declared the acts' provisions should be extended to parts of Canada beyond the prairies. He said the fruit districts of Ontario, British Columbia and the Maritimes could benefit from the PFAA.

Four Fliers Die In Plane Crackup

SAN BERNARDINO, Calif., June 4—(AP)—Four men were killed

Minus Baggage

Minus baggage, this mallard duck, seen with Jean Bachelor, waddled into a downtown hotel in Toronto. Grounded by the rain storm, the young duck was taken care of until the Humane Society came for it.

Sixth Polio Death at Coast

VANCOUVER, June 4.—(CP)— An 11-year-old Mount Pleasant district girl Tuesday was listed as Vancouver's sixth victim of infantile paralysis for 1947. City health officials said they believed there had been no contacts.

but a fifth escaped almost unharmed Tuesday when an army amphibious patrol plane crashed and burned at the army air field here while coming in for a landing after a test flight.

Hotelmen Elect Officers for 1947

CALGARY, June 4 — (CP) — Frank R. Webster, Calgary, was re-elected president of the Alberta Hotel Association when the new officers were named at a convention here. The two-day meeting was attended by hotelmen from all parts of the province and concluded last night. Other officers elected were George W. McLean, Edmonton, first vice-president; A. E. Dupen, Lethbridge, second vice-president, and Charles B. Gutenson, Drumheller, third vice-president. Fred Thomson, Calgary, was named supervising secretary.

Directors of the northern zone are J. M. Pogol, MLA, Spirit River; H. G. Curlett, Peace River; R. F. Slinger, Ferintosh; Robert McDonald, Edmonton, and J. J. Blake, Holden. Directors of the central zone are A. L. Urch, Rocky Mountain House; Harold Scott and Robert Arkley, both of Calgary. Southern zone directors are A. G. Swinarton, Macleod; Richard Pickering, Medicine Hat, and Joseph Bell, Claresholm.

APPOINT JUDGE

OTTAWA, June 4.—(CP)—The minister of justice announced yesterday appointment of C. H. Locke of Vancouver to be puisne Judge of the Supreme Court of Canada. He succeeds the late Mr. Justice A. B. Hudson.

Meat Cleaver Fails Stop Five Bandits

TORONTO, June 4 (CP)—A meat cleaver hurled by Ernest Speakman, proprietor of a service station at suburban Scarboro, failed to halt five bandits who robbed him of $30 at midnight last night. Speakman told police that the cleaver hit the front fenders of the car in which the five bandits made their getaway.

Claim Government Dominates Radio

BY CHESTER BLOOM

Edmonton Bulletin Ottawa Bureau

OTTAWA, June 4 — Forthright criticism by the Canadian Association of Broadcasters of alleged government domination through the Canadian Broadcasting Corporation of private stations programs, wave lengths annual licenses and property ownership brought some acrid, if polite, passages yesterday in the House of Commons radio committee. The broadcasters are asking for an independent tribunal or commission to supervise both the government and private radio stations.

RALPH MAYBANK, the chairman, alleged the private station owners were attacking the radio policy of the government.

M. J. Coldwell, CCF leader, asserted the criticisms in the broadcasters brief were "an attack on the whole system of democratic government as we know it in this country."

Dr. J. J. McCann, minister of national revenue, under whom the Canadian Broadcasting Act comes, sided with Mr. Maybank that the criticisms went beyond the terms of reference of the committee. The committee, Mr. Maybank held, had been asked to review operations of the CBC under the Canadian Broadcasting Act and not the radio act under which the private stations are controlled.

THE MAJORITY of the committee, however, favored proceeding to hear all the criticisms voiced in the CAB brief presented by Joe Sedgwick, counsel for the private station operators.

Mr. Sedgwick admitted that the criticisms of government domination through the Canadian Broadcasting Corporation perhaps went beyond the terms of reference of the committee. But he pointed out that year by year, in reviewing operations of the CBC, the committee had constantly gone beyond its precise terms of reference. It would be impossible for the private stations to present their case without going beyond the Canadian Broadcasting Act.

A. L. Smith (PC-Calgary), said he did not agree that the criticisms in the brief were extraneous of the committee reference.

CHAIRMAN MAYBANK also took exception to the repeated use in the CAB brief of the words, "the government's CBC."

"You're giving wide publication to this brief," said Mr. Maybank, "and the words government CBC are propaganda."

"It's so, isn't it?" inquired Mr. Smith.

"It's untruthful," asserted Mr. Maybank, "the government owns nothing."

Mr. Sedgwick said mildly that the CBC itself has argued that it is an "emanation of the crown." He read many quotations from the broadcasting act which buttress that point. For example, he quoted section 37 which gives the CBC the right to expropriate the stations of private owners "as if such property has been expropriated by his majesty." The same section also says that His Majesty's (the government) may at all times retain possession of any private radio station and require "the exclusive services of the staff."

THE COMMITTEE adjourned at 12.30 noon to meet again at 4 p.m. having heard only about half the brief.

Prison Control Debated in House

OTTAWA, June 4—(CP)—The federal government does not want to centralize control of Canada's penal institutions but is willing to discuss the question if the provinces want to open it up, Justice Minister Ilsley said yesterday in the Commons.

Declaring there were a great many opponents of centralization of authority in the Dominion, Mr. Ilsley said their arguments applied to the penal field as well as others. And he was not convinced it was "a desirable thing."

The minister was closing debate on the government's bill to appoint two deputies to the federal commissioner of penitentiaries, which received second reading—approval in principle.

Fatal Accident

ST. CATHARINES, Ont. June 4 —(CP)—Walter High, 34, fruit farmer from nearby Jordan, was fatally injured when his car crashed into rear of a truck loaded with steel early today.

Inspection Tour

TOKYO, June 4.—(AP)—Emperor Hirohito left Tokyo today aboard the maroon imperial train for a 12-day inspection trip through Osaka, Hyogo and Wakayama prefectures. He will visit newspaper offices, schools, repatriate centres, industrial companies and public works.

Kid Boots

All he needs is a horse. Otherwise Van Carleton, year-old son of Mr. and Mrs. Langford Carleton, of Ft. Worth, Tex., is all ready to ride.

The Book of Knowledge

EARLY SETTLERS IN NEW YORK

In 1600, Henry Hudson, English explorer employed at that time by a Dutch trading company, crossed the Atlantic from Holland and sailed up the river that now bears his name, following it to the point where the city of Albany now stands. He claimed the region for the Dutch.

He also found that the Indians had many furs which they were willing to exchange for a few beads or a hatchet. These furs, which he took back with him, seemed as good as gold to the Dutch, and soon they sent out traders to deal with the Indians.

Some people say that there were a few houses on Manhattan Island as early as 1614. The same year, or early in 1615, Fort Nassau was founded near the site of Albany, and settlements in New Jersey also were made. These early Dutch settlements were largely trading posts. The Dutch claimed all of the country between the Delaware, on South River, and the Hudson, or North River. They called this land New Netherland.

In 1626, Peter Minuit, who had been appointed Governor of New Netherland by the Dutch West India Company, bought Manhattan Island from the Indians for about 24 dollars' worth of beads and trinkets. The little town that had begun to grow at the foot of the island was called New Amsterdam.

Next, large tracts of land along the Hudson River were offered to any men who, at their own expense, would bring over fifty settlers. Soon there were many farms along the river, farmed by the tenants of the patroons, as the owners of the tracts were called. The patroons became very powerful and lived in great state.

Meanwhile, Peter Minuit had left the service of the Dutch and gone to Sweden. In 1638, he led a few Swedish colonists who settled on the Delaware River and called the colony New Sweden. But the Dutch would not agree that the Swedes had any right to this land and several years later, Peter Stuyvesant, one-legged governor of New Netherland, was able to make them yield to his power. This was the beginning of the colony of Delaware.

Governor Stuyvesant was very hot-tempered and overbearing, and he did not believe in giving the people any voice in the government. Many in New Amsterdam did not like his ways. Hence when the English (who had always claimed all of North America because of the early discoveries of John Cabot) sent a fleet to New Amsterdam and ordered the town to surrender. The people would not fight.

Thus, in 1664, New Netherland became an English colony. Both the colony and the town were renamed New York in honor of the Duke of York, who was later to be King James II. The Duke granted the southern part of his new province to two of his friends, who named their territory New Jersey, after the island of Jersey in the English Channel.

In 1673, the Dutch again got possession of New York, but kept it only a few months, after which they lost their colony forever. But stubborn old Peter Stuyvesant continued to live on his farm on Manhattan Island and died there.

(Copyright, 1946, by the Grolier Society Inc. based upon The Book of Knowledge. Distributed by the United Feature Syndicate, Inc.

When the Dutch surrendered New Amsterdam to the English in 1664, stubborn one-legged Governor Peter Stuyvesant was brought down from the ramparts without a gun being fired, for the people did not like him and would not fight. The English renamed the town and the colony New York.

TOMORROW: How Deep is The Sea?

Leaves to Attend Marian Congress

McLENNAN, June 4: Accompanied by his chancellor and secretary, Bishop Ubald Langlois left McLennan recently for Ottawa where he will attend the Marian Congress, June 18-22, directed by the Most Rev. Alexandre Vachon, Roman Catholic Archbishop of Ottawa, marking the 100th anniversary of the establishment of his see as the diocese of Bytown in 1847.

Archbishop Vachon initiated this project of prayer and pageantry which will be of a scale and character never attempted in Canada before. Seventy countries will send representatives, and cardinals from France, Italy, Germany, Cuba and U.S.A. will attend. Archbishop Vachon has been head of the Archdiocese of Ottawa since 1939. Born in 1885 at St. Raymond de Portneuf, Quebec, he studied at Laval and at the Petit Seminary of Quebec. Archbishop Vachon has the unusual background of a scientist. He served for some years as a member of the National Research Council, is a past president of the Canadian Institute of Chemistry and has behind him important personal achievements in scientific research.

Pass Treaties

PRAGUE, June 4.—(Reuters)—The Czechoslovak cabinet, after a meeting lasting 10 hours, today passed the peace treaties with Romania, Italy, Bulgaria and Finland, signed in Paris in February, and recommended their submission for ratification to the constituent national assembly.

DISTRICT NEWS IN BRIEF

Eight Receive Burns In Pulpwood Blaze

HIGH PRAIRIE, June 4: Six men, a woman and a baby were severely burned and a large amount of cord wood was destroyed recently when fire broke out in the pulpwood camps 20 miles south of here.

Unable to escape from the flames which engulfed the camp, the six men, the woman and the year-old baby were forced to wade into a nearby creek to keep away from the blistering flames. They remained in the water for four hours before being rescued and taken to the Providence Hospital.

Mrs. E. Mac of High Prairie who was cook at the camp, her baby, Ben and Frank Brown, Arthur Vander-Mark and three other pulpwood workers were the ones caught by the fire and taken to hospital. Harvey Hanns, foreman, was also injured.

Norman Skogstad, manager of the camp, stated that more than 2,000 cords of pulpwood were destroyed in the blaze that raged for several hours. Only about 175 cords were saved.

The cord wood was covered by insurance, but a large number of personal articles, including clothing were lost. Four horses and one power saw, property of Frank Brown of High Prairie, were also destroyed by the flames.

Elect Officers

STETTLER, June 4: Elections of the Stettler Gun Club were held recently with the following elected: Dr. F. O. Galb; ith, president; D. M. Gardiner, vice-president; R. Bond, secretary-treasurer; and C. A. Thomas as field captain.

An effort will be made to increase the present membership 20 Regular meetings will be held on Wednesday afternoon at the farm of F. Watson, situated just north of Stettler.

Escapes Injury

HANNA, June 4: A young Hanna boy, five-year-old Cecil Flynn, son of Mr. and Mrs. Pat Flynn, escaped serious injury recently when he was knocked down by a car. He ran out onto the street while playing with some other boys and was hit by the car.

Work Held Up

HANNA, June 4: It has been difficult to obtain sufficient casing and tubing to continue work on Berry Creek well No. 1, it has been learned here.

Because of lack of materials, progress has been held up for some time. E. G. Lawrence has just returned from a motor trip to the East in an effort to procure a supply of the materials, without much success.

Make Agreement

OLDS, June 4: At the regular meeting of the Olds local of the Automobile Trades Association, a working agreement was reached by which local rural garages would rotate in the matter of remaining open on Sundays.

It is planned to have one garage on the highway and one in town open each Sunday. This plan has been referred to the department of trade and industry for approval.

Heavy frost last week did considerable damage to gardens, but farmers report very little destruction to crops.

Plan Build School

PERRYVILLE, June 4: A three-room school has been promised for this district to accommodate pupils of the Lewiston, Perryville South, Willow-Ridge and Lee Height school divisions.

Proposed site is near the highway and the property was bought from J. A. Lewis. A contribution toward payment has been made by ratepayers and a considerable amount of lumber has been donated to speed up the project, which has been approved by the board of Athabasca School Division No. 42.

Likely to Drill Soon

PERRYVILLE, June 4: Drilling for oil is expected to start near here soon. Operations are expected to take place off the Rein Bros. land at the foot of the hill of Lewiston school, near the CNR station.

A geologist visited the area in May and located the spot which has since been surveyed, and late last week preparations in clearing and levelling the site were started.

Stettler Wins 10-0

STETTLER, June 4.—Faced by the almost faultless pitching of Art Ravis, Stettler All Stars walloped Lacombe 10-0 in the final game of the Lacombe ball tournament.

The All Stars were awarded a bye when the Hobbema Indians failed to show up. Lacombe defeated Bentley 18-8 in the first game of the day. In the last game heavy slugging by Stettler was the feature. Frank Chapman and Blair Pinder had perfect days at the bat and every member of the team hit safely at least once.

Village Wants To Join City

RED DEER, June 4: Tentative date for a special meeting of the village of North Red Deer taxpayers, at which they will discuss the amalgamation of the village with the City of Red Deer, has been set for June 28.

A petition carrying 130 signatures is the cause of the meeting being called. The petition called for such a meeting. The signees of the petition are headed by Fred Micheal and Dr. A. E. Gardiner.

"The engineering firm of Davis and Ripley, Edmonton, is completing the estimated cost of sewer and water system for the village. Reports indicate that the village office is in excellent condition.

Saving $900 by donating labor to install a sewer line beneath the new highway, was done recently by the taxpayers.

Plan Extensive Highway Program

CAMROSE, June 4: With the arrival of a large rotary rock crusher, and crews of Kellough Construction Company, work will begin on the gravel pit nine miles south of here. The town has contracted for 8,000 yards of gravel with several thousands of additional yards for different interests in the locality.

The roads in the veterans' small holdings project are receiving the first application of gravel. It is the intention of the town public works committee to gravel every street and lane in the town.

J. G. Ross, of Northwest Contractors, also arrived in camp with a ditching machine, which will begin work on the west end sewer project. This will bring nine more residential blocks on the sewer and water lines. In addition, a 15-inch main will be laid through Berry Creek well No. 1, it has been learned here.

Because of lack of materials, progress has been held up for some time. E. G. Lawrence has just returned from a motor trip to the East in an effort to procure a supply of the materials, without much success.

Make Agreement

OLDS, June 4: At the regular meeting of the Olds local of the Automobile Trades Association, a working agreement was reached by which local rural garages would rotate in the matter of remaining open on Sundays.

It is planned to have one garage on the highway and one in town open each Sunday. This plan has been referred to the department of trade and industry for approval.

Heavy frost last week did considerable damage to gardens, but farmers report very little destruction to crops.

Plan Build School

PERRYVILLE, June 4: A three-room school has been promised for this district to accommodate pupils of the Lewiston, Perryville South, Willow-Ridge and Lee Height school divisions.

Proposed site is near the highway and the property was bought from J. A. Lewis. A contribution toward payment has been made by ratepayers and a considerable amount of lumber has been donated to speed up the project, which has been approved by the board of Athabasca School Division No. 42.

Likely to Drill Soon

PERRYVILLE, June 4: Drilling for oil is expected to start near here soon. Operations are expected to take place off the Rein Bros. land at the foot of the hill of Lewiston school, near the CNR station.

A geologist visited the area in May and located the spot which has since been surveyed, and late last week preparations in clearing and levelling the site were started.

Stettler Wins 10-0

STETTLER, June 4.—Faced by the almost faultless pitching of Art Ravis, Stettler All Stars walloped Lacombe 10-0 in the final game of the Lacombe ball tournament.

The All Stars were awarded a bye when the Hobbema Indians failed to show up. Lacombe defeated Bentley 18-8 in the first game of the day. In the last game heavy slugging by Stettler was the feature. Frank Chapman and Blair Pinder had perfect days at the bat and every member of the team hit safely at least once.

Plan Morinville Calf Show

MORINVILLE, June 4: The Morinville Calf Club show will be held June 10 at the Beaver Lumber yard. The show will feature 18 Shorthorn calves.

A number of local businessmen have donated to the club which now has $200 in its prizes. Three medals have also been donated to be awarded to winners.

Wins Tourney

STETTLER, June 4—Ken Blakey of Stettler won the annual golf tournament here by defeating veteran Charles Willis two up in the final round. They shared the spotlight with Herb Schultz and Clarence Blaney.

The golf shown in the final game was not up to the usual played by either contestant. However, it was close right down to the finish. Willis was one up at the 14th, but lost the next three in succession to lose the match two and one. Blaney played close to even pars throughout the entire tournament and his consistent long, straight drives were the outstanding part of the game.

Hold Banquet

WASKATENAU, June 4: Members of the Students' Union of the Waskatenau high school were hosts to students from Radway, Warspite, Smoky Lake and Thorhild at a banquet and dance held here recently. Extensive work was done to make this banquet one of the best evenings of entertainment held during the year.

The Ukrainian Canuck held its annual picnic at Waskatenau last Saturday. A large crowd gathered and a fastball game was played between a Waskatenau team and Warspite.

The Rev. D. McGregor, of the United Church will be here this month to take over the Alliance, Alberta church. He will be succeeded by the Rev. Mr. Saunders of Bon Accord.

Teen Town Re-Opens

OLDS, June 4: A large crowd was on hand for the re-opening of Teen Town in the Olds arena recently. The adult advisory council was on hand and an entertaining evening was had by all.

At the May meeting of the Home and School Association, Miss C. McDonald of the local school staff presented her dancing class in a program.

Final arrangements for the lilac tea to be held June 7 were made at the meeting. Mrs. H. McPhail, Mrs. E. Weber and Mrs. Ted Miller form the committee in charge.

Form Ball League

CLIVE, June 4—A new baseball league formed by the Clive branch of the Canadian Legion, has had four entries. G. Harrow has been named as president of the league. Towns entering teams are Mirror, Alix, Nebraska and Clive. The Clive team will be issued with gray-green outfits with maroon caps and sox.

Hold Field Day

GLENDON, June 4: A field day was held here recently with athletes from Maloy, Colombine, Beacon, Chicken Lake, Larkin, Gifford, Moose Creek and Glendon taking part.

Following the sports day, a graduation program was held in the evening. Dorothy Palmer, Marjorie Phipps and John Luciak were the graduates. They were presented with gifts from their teacher, Mrs. MacLean. D. Shandro, principal of the school gave a brief speech.

Visiting Prelate Speaks:

Wants Canada Admit Mid-East Europeans

A hope that immigration doors would be opened to peoples of mid-eastern Europe who are unwillingly living under conditions of Communist domination was expressed Tuesday by His Eminence Eugene Cardinal Tisserant, when he replied to many welcomes at a banquet in his honor tendered by parishioners of St. Josaphat's Ukrainian Greek Catholic Church.

Takes Position

A. E. WHITLOCK

Takes Position On Survey Ship

Work with Canadian radar and supersonic equipment on an oil survey vessel plying between Nassau in the Bahamas and Miami, Florida, is the job which will be taken by A. E. Whitlock, 10627 75 avenue, when he arrives at Miami following his departure from Edmonton Wednesday.

Mr. Whitlock, a native of Drumheller, took advantage of vocational training facilities offered by the department of veterans affairs and recently graduated from the Radio College of Canada. He spent 4 years overseas with the RCAF. He has been placed by the college with a Bahamas oil company for employment on the survey vessel.

Review Precedes Draw for Farms

A review of the Wanham land settlement area now underway in clearing and breaking under provincial government supervision for the settlement of war veterans is to be undertaken in the near future, Hon. N. E. Tanner, minister of lands and mines, said Wednesday.

When the review is completed, it is expected that a date will be set for the draw which is to determine the priority to be accorded veterans who have made application.

Under present arrangement Harper Prowse, army representative in the legislature, will make the draw.

CALGARY, June 4—(CP)—The Calgary Labor Council has passed a resolution requesting the provincial government to appoint a Royal Commission to investigate the department of public welfare in Alberta.

Varsity Players Embark on Tour

University Provincial Players, a six-member touring drama group composed of enthusiastic varsity dramatists, left Edmonton Tuesday to begin their three months' province-wide tour through Alberta.

First leg of their itinerary will take the student actors east of Edmonton. Playing in Mundare Tuesday night, they will continue on to Innisfree, Vermilion, Kitscoty, Lloydminster, Wainwright, Viking, Tofield, Camrose, Hardisty, Sedgewick, Killam, Fleet, Stettler, and Delburne. Then the university group will travel through Southern Alberta, returning along the Edmonton-Calgary highway late in July. Bentley, Innisfail, Penoka, Wetaskiwin, and Leduc will be visited during the last six days in July.

The dramatists then head to tour Northern Alberta, as far as Grande Prairie, making their itinerary about 80 towns.

Manning's Return Expected Thursday

Return of Premier Ernest Manning from Ottawa, where he has been discussing Dominion-provincial relations with the federal government is expected Thursday.

Mr. Manning said before he left that he intended to urge on the senior government, the advisability of calling an immediate new meeting of the Dominion-provincial conference with a view to aligning provinces not yet ready to sign an agreement and to discuss social service assistance required from the Dominion by the provincial authorities.

H. J. WILSON, KC, deputy attorney-general, who accompanied Mr. Manning on his trip will meet Hon Lucien Maynard, KC, attorney general in the east and will proceed to London with him for the appeal being carried by the provincial government to the privy council on the disallowance of the Alberta Bill of Rights by the Alberta Supreme court.

Mr. Manning was also accompanied on his trip to Ottawa by J. F. Percival, deputy provincial treasurer

Big Salute On June 9

A 21-gun salute will be fired from the Legislative Building grounds in commemoration of the King's birthday, on June 9 by members of the 20th Heavy Anti-Aircraft regiment. The four guns to take part in the ceremony will begin firing at 12 o'clock noon on June 9, under the command of Capt. R. Joslin. Two-gun sections will be in charge of Capt. C. D. Hardy and Lt. C. G. Tracy.

Prior to the salute, the convoy of guns and tractors will be going through the streets under city police escort. Parade will begin from Prince of Wales Armory at 11:15 a.m., will travel down 101 street, up Jasper avenue to 109 street, then down 109 street to the parliament grounds.

Commanding officer of the 20th Heavy Anti-aircraft is Lt.-Col. R. A. Purcell.

Similar salutes will be fired in provincial capitals across the Dominion.

Number of Permits Shows Sharp Drop

Shortage of materials and manpower and high building costs sharply affected building in Edmonton for the first five months of this year as permits issued in the period were $2,317,782 below the total for the same period last year, according to Maxwell C. Dewar, city architect.

During the five-month period ended May 31, 1947, a total of 1,181 permits were issued with a permit value of $4,707,574 compared with 1,909 permits for the same period last year, the value of which was $7,025,356.

Chief decline was recorded in the home building section with 479 permits being issued for dwellings in the 1947 period, the value of which was $2,273,990 compared with 940 in the same period last year, the value of which was $3,686,075. This is a decline of 461 homes, and $1,412,085 in permit value.

During the 1947 period there were 53 commercial building permits issued with a permit value of $1,131,610, while in the 1946 period there were 113 such buildings erected, the value of which was $1,901,760.

Seven institutional building permits were issued in the 1946 period with a value of $1,215,300 compared with two in the first five months of this year, the value of which was $273,000.

1,940 Inspections By Relation's Board

Investigation of complaints by workers resulted in 1,940 inspections being carried out by the Board of Industrial Relations during April, officials said today.

Wage arrears collected for the month amounted to $4,236, as compared with $3,924 for the same month last year. 5,000 employees were effected.

MEMBERS VISIT CITY

Members of the Legislature in the city on constituency business this week include Mrs. C. R. Wood (Stony Plain), A. E. Fee (SC-Sedgewick), and N. A. Willmore (SC-Jasper-Edson).

5 City-Owned Utilities Report 5-Month Surplus

Gross revenue from the five city-owned utilities during the five-month period ended May 31, 1947 totaled $2,745,434.77 compared with $2,695,736.71 for the same period last year, an increase of $49,698.06, according to a statement filed with the city commissioners Wednesday by A. A. Campbell, city comptroller.

EXPENDITURES in the five-month period of this year totalled $1,686,613.70 compared with $1,482,216.80 for the first five months of 1945, an increase of $214,396.81 to leave a surplus on operation of $1,048,821.07 for the 1947 period compared with $1,213,519.82 in the first five months of 1946, a decrease of $164,698.75.

The net surplus on operation, after paying capital charges, taxes and setting aside renewal reserves, was $103,313.66 for the 1947 period, compared with $131,978.79 for the five months of 1946, a decrease of $28,665.13.

A total of $453,115.46 was paid into renewal reserve accounts during the first-five months of this year, compared with $591,227.29 during the same period last year, a decrease of $138,111.89. The payments by the telephone department were $7,698 below the 1946 level; the transit system's payment was $80,430.39 lower than in the five months of 1946; the electric light department's $46,468.85 below the 1946 period level, while the power plant payments showed an increase of $2,409.68 over the 1946 payments.

In addition to the $80,420 deficit of $26,469.25 for the five months of this year, compared with a surplus of $1,253.25 for the same period last year.

Star of the Flashing Blades

MISS LILLIAN MUNRO

Signs Five-Year Contract

Skater Lillian Munro To Join Ice-Capades

By Dick Sherbaniuk

The adventure of far-away rinks has always held a lure for 20-year-old Lillian Margaret Munro. So much so that she will spend the next five years of her life skating on American ice in cities all over the United States.

Recently accepting a five-year contract from Ice-Capades Inc., one of the largest touring U. S. ice shows, the five-foot four-inch veteran performer of Glenora Skating Club will leave Edmonton late in June for Atlantic City, New Jersey to begin rehearsals with the American skating group on July 6.

SHE WILL BE THE fourth performer from the Glenora Club to join Ice-Capades, her predecessors being Peggy Newland, Mary Kirstine, and Gwen Swingle.

All four of the Edmonton ice-stars were spotted by American talent scouts in March, 1946, during the Glenora Ice Carnival, and were offered contracts immediately. Miss Newland signed on with the U. S. show soon afterwards, Mary Kirstine left Edmonton last July, and Gwen Swingle joined her friends in October.

But the ash-blonde-haired, brown-eyed daughter of Mr. and Mrs. A. J. Munro, 12310 107 avenue, Edmonton, remained at her west-end home to complete her schooling at Westglen High.

THE AMERICAN ice show repeated its offer in July, but this time Lillian preserved what her brother Murdo, with whom she has practiced skating since they were children, was returning from Germany where he was stationed with Canadian occupation troops.

Sister Rosemary soon was to be married, so Lillian again refused the American offer, to stay in Edmonton in order that the four Munros, Lillian, Murdo, Rosemary, and father Alex might skate for a last time at the 1947 Glenora Ice arrival.

Ice-Capades Inc. renewed the offer again last March, and this time it was accepted. "Just to make sure" that her silver skates weren't getting rusty, Lillian auditioned last April for the manager of Ice Cycles, subsidiary of Ice-

Work Continuing Leduc No. 4 Well

At dawn Thursday work will commence on the drilling out of the cement plug now holding back gas pressure and crude in Imperial's Leduc No. 4 well and swabbing or bailing operations will probably begin around noon, officials said Wednesday.

In defining the time this work would begin the officials also announced the erection of another drilling site to be known as Leduc No. 7. Another offset well, the No. 7 is located one quarter of a mile east of the No. 2 producer. This hole will be sunk by Drilling Contractors Ltd, same firm which drilled producer No. 3. New equipment will be used on the No. 7 site.

WORK STARTED Wednesday on gravelling a seven-mile stretch of road from Nisku west to join up with the gravelled road to the No. 1 well. When this is completed other connecting links will be conditioned to take the heavy traffic of tanker trucks plying between the wells and the Leduc railhead.

Wednesday company officials were considering tenders for the construction of a service garage to be located in Edmonton at 142 street near the Canadian National Railways. Dimensions will be 28 feet by 100 feet. It will accommodate four trucks in storage and will have repair facilities capable of handling two trucks at a time.

Purpose of the garage will be to keep the growing fleet of trucks and other machines in top operating condition with the increasing expansion of producing wells in the Edmonton field.

TO BE BEGIN WITH there will be a staff of three mechanics, a welder and helpers, officials said. Still considering drillers, it was not known when construction would begin.

Summary of other drilling activities shows Leduc No. 5 to be at 4,136 feet. Muskeg operation near Entrance is now down to 1,093 feet. Morinville No. 1 is down to 3,600. Looma No. 1 was at 2,611 Wednesday morning.

Twenty-four hour tests on the three Leduc producers Wednesday recorded No. 1 at 553 barrels; No. 2, 110 barrels; No. 3, 98 barrels.

Derrick is being erected at Paddle River No. 1 near Mayerthorpe, and roads are being built into the Battle Lake No. 1 wildcat sile near Winfield.

Former Leduc MLA Visits Edmonton

A. P. Mitchell, Victoria, B. C. who at one time represented the Leduc constituency in the Alberta Legislature as Liberal, paid a visit to the government buildings, renewing acquaintance, Tuesday.

Commenting on the discovery of oil at Leduc, Mr. Mitchell recalled that he had urged on oil companies that there were prospects in his constituency, twenty years ago and was pleased now to learn that his predictions had been accurate.

Red Cross Announces

Free Blood Service Available in July

The million-dollar outlay of the Canadian Red Cross Society to provide free blood and plasma transfusion service for any resident of Canada will benefit Alberta by July making Alberta the second province in Canada to participate in the "largest national health scheme in the world undertaken by a voluntary organization," it was stated here Wednesday.

OVER $1,000,000 more will be required annually to maintain the free service, according to Dr. W. S. Stanbury, national director of the scheme now in Edmonton, but the cost isn't what the Red Cross is concerned about.

What worries the organization is how a steady supply of fresh blood can be maintained to keep the service in operation.

Since fresh blood can be kept for two weeks only, even with refrigeration, Canadians must be willing to donate their blood freely to the Red Cross service. Blood, after the two-week "fresh" period, is made into storable plasma.

"LARGE AREAS of Canada suffer from inadequate blood supplies," stated Dr. Stanbury, Saskatchewan has no peace-time

Two are Injured In Minor Accidents

A cyclist and a pedestrian received minor injuries in two traffic accidents Tuesday. Both were taken to hospital but were released after examination and treatment.

Lucien Trigon, 10513 124 street, the cyclist, suffered an injured shoulder when he ran into an open car door at 109 street and Jasper avenue about 5:45 p.m. The car had just stopped to discharge some passengers, when the door opened and the cyclist ran into it. He was taken to the General hospital.

Irwin Foot, St. Elmo hotel, walked into the side of an auto at 97 street and Jasper avenue about 4:40 p.m. He suffered slight injuries to the side of the head, and was taken to the Royal Alexandra hospital for treatment.

12 Motorists Fined Traffic Infractions

Infractions of the traffic by-laws brought fines totalling $108 to 12 motorists who appeared before Magistrate J. Muir in the city police court Wednesday morning.

Three drew fines of $2 and costs for failing to have driver's license, four who did not have their vehicles equipped with mufflers paid $3 and costs each while five were assessed a total of $90 and costs for speeding.

Warmer Weather Forecast in City

Warmer weather, and no rain, is the forecast for today and Thursday. Cloudy skies will prevail Thursday afternoon, clearing in the evening. There will also be light winds today and tomorrow.

The maximum temperature yesterday was 65 above at 2:30 p.m. and the overnight low read 48 above at 5:30 a.m.

Estimated low temperature tonight is 42 above. The expected high temperature Thursday is 72 above.

Edmonton Boy Scout Gets Trip to France

An Edmonton boy scout is one of the two Albertans chosen to travel aboard the HMCS Warrior to attend the world wide scout jamboree in Soissons, France, in August. He is Herman Braams, 12431 Stony Plain Road, son of Mrs. Olga C. H. Braams. Diedrich Grimlich of Raymond will be the other delegate from this province.

Boy Scout headquarters said Wednesday that they had received a telegram from the minister of national defence stating that the boys would sail aboard the Warrior, No date for their leaving has been set although it is understood they are to be in France by Aug. 9.

Six Oil Officials Coming Here June 9

A party of six officials of the Imperial Oil Company's head office in Toronto are scheduled to arrive in Edmonton on June 9 on a western trip which was described as "routine," it was learned here today.

In addition to visiting the company refineries at Regina and Calgary the officials also will make a trip to Norman Wells.

Y's Men's Club Hears J. J. Genthner

J. J. Genthner, New York director of financial service bureau, national Council of the YMCA, delivered an address pertaining to the Edmonton united campaign, to members of the Y's Men's club in the YMCA, Tuesday night.

Mr. Genthner has held various executive positions in the United States in salesmanship and training capacities. His speech tended to define salesmanship as an interesting and challenging occupation in which the salesman simply serves and satisfies the needs.

He explained to the members the proper manner in which to conduct the campaign which commences June 9. Dr. Tom How presided.

Mystery Aircraft Fires On Bathers

VIENNA, June 4—(Reuters)—An unknown fighter plane flying over the crowded Wiener Neustadt bathing pool May 31 opened fire with machine-guns directly on the bathers, it was learned yesterday. Wiener Neustadt, 30 miles south of Vienna, is in the Soviet occupation zone of Austria. An Austrian woman Yeau Doerfler, was struck below the knee by a bullet which pierced the bone.

Gambler Dies

HANSGATE, Yorks, Eng., June 4.—(AP)—Charles Hannam, a professional backer of race horses, who is reputed to have bet as much as £2,000,000 ($8,000,000) a year, died here Tuesday. Hannam, whose usual bet on a horse was between £8,000 and £10,000, calculated his profit as never more than five per cent, even in a good season.

Sicily, 9,926 square miles, is the largest island in the Mediterranean.

Proposed Brief Outlined

Canadian Postmasters To Ask New Scheme

A proposed brief asking for a new scheme of remuneration, superannuation, and the provision for older members, was outlined by Don Taylor of Vermilion, president, to 200 delegates at the 19th annual convention of the Alberta branch of the Canadian Postmasters Association in the Macdonald hotel on Wednesday.

MR. TAYLOR said, "I feel that there should only be one association—our own. If our assistants when we become staff offices feel that we should join up with other employee organizations, that will be their own privilege. We must continue to increase our membership, thus assisting those whose duty it will be to safeguard our interests."

Of the 200 delegates attending the convention more than 25 members are attending for the first time.

The convention was officially opened on Tuesday afternoon by president Don Taylor. Greetings on behalf of the city were extended by acting mayor C. E. Gariepy.

T. J. Reilley, district post office inspector Edmonton, extended greetings from the Edmonton district offices. "These conventions can be of great benefit both to postmasters and to the department," he added.

Mr. Taylor's report added that there are three new staff offices being established. There will be three classes of postmasters, non-accounting, revenue, and staff. Each of these will have their own problems and will have to be dealt with accordingly.

"I FEEL THAT when submitting this brief to the Dominion Government, we should concentrate on the main issues, and that we will accomplish more than if we clutter up our requests with needless and unimportant matters."

Others who addressed the gathering on Tuesday were: R. Goodman, superintendent of mail services, Calgary; R. H. McNabb, regional director of prairie provinces.

CHARLES D. GRIFFITH, Dominion secretary from Estevan, Sask., said that 1947 is an important year to the postmaster because of the reorganization of the departments and system has begun.

Five delegates appointed to the resolutions committee were: Tait White, Brooks; W. S. Armstrong, Westlock; E. Dodd, Innisfail; H. T. Taylor, Vegreville; and W. Bill" Curtis, Beverly.

The convention will continue on Thursday. Election of officers will take place on Thursday afternoon.

Lethbridge Host For Farming Meet

LETHBRIDGE, Alta, June 5 — (CP)— Lethbridge will hold the spotlight of agricultural Canada when some 400 technical agriculturists representing government services and commercial firms meet here for the 27th annual convention of the Agricultural Institute of Canada. The convention opens on June 23 and concludes June 26. Every province in the Dominion will be represented.

Guards Princess

LONDON, June 4—(Reuters)—Princess Elizabeth, now 21 years of age, has been provided with a police officer as her personal guard. It was announced today. The move was regarded as a routine one as the heiress-presumptive to the throne is taking an increasing part in public duties.

Scientists Coming

OTTAWA, June 4—(CP)—The first group of German scientists whose special skills will be made available to Canadian industry under a plan announced last fall will be brought to Canada shortly, Trade Minister Mackinnon announced today.

Braden Resigns

WASHINGTON, June 4—(AP)—President Truman today announced the resignation of Spruille Braden as United States assistant secretary of state. Braden is a former ambassador to Argentina and long was the centre of controversy within the administration over United States-Argentine relations.

Cut Bread Ration

MADRID, June 4 —(AP)— The bread ration for a large majority of Spaniards will be reduced from 12.5 ounces to 8.8 ounces daily, beginning Thursday, said an announcement published Tuesday.

FORT GARRY TEA BAGS are convenient to use — no measuring—no waste—each bag contains exactly the right amount for two cups of delicious tea.

Dies in City

THE REV. ABRAHAM HAGER

Pioneer Minister Is Dead in City

A pioneer minister of Edmonton and district, the Rev. Abraham Hagar died in the Misericordia hospital Tuesday. He was 89 years old.

ONE OF EDMONTON'S earliest residents, he came to Rabbit Hill in 1897 and to Edmonton in 1898. He induced many settlers from the United States and Europe to come to this area.

Mr. Hagar, was a lifelong Liberal, and was active in politics. He organized several mission stations in Alberta.

Born in Aldebeden, Switzerland he received his education there. When 21 years old he was ordained into the Mennonite Church at St. Thiene, Switzerland.

In 1880 he married Angeline Caniane, in Adelboden.

AFTER ARRIVING in the United States, he joined the Baptist Church in Salem, Ore., in 1888. He went to Vancouver in 1893, and came to Alberta in 1897.

In 1898 he organized German Baptist Church work in Edmonton, and built the First Baptist Church in 1899. Later he built Central Baptist Church.

During the First World War Mr. Hagar went to Fort George, B. C., and organized a church there. In August, 1946, he returned to Edmonton and retired at the home of his daughter, Mrs. F. M. Falkenberg, 9657 107 avenue. His wife died in 1927.

HE IS SURVIVED by three sons, Abraham, Seattle; Phillip Yakima, Wash.; Ben, 10973 95 street; one daughter, Mrs. Falkenberg; two brothers, Fred, Portland, Ore.; Gottfried, Adelboden; two sisters, Mrs. James Billeter, and Mrs. Louis Schumacker both of Portland; 10 grandchildren and six great-grandchildren.

A funeral service will be held in the Central Baptist Church Thursday at 2 p.m. The Rev. R. Schilke will officiate, and burial will be in Beechmount Cemetery. Park Memorial is in charge of arrangements.

Lillian Munro

(Continued from Page 5)

Capades. There was little need for worry.

"GREATLY THRILLED" by her opportunity, Lillian will tour major cities in the U. S. every year for the next five from September to June, have a one-month vacation and begin rehearsals for the following year's show in July.

The stringent routine doesn't particularly worry the young Edmonton skater.

At first specializing in speed skating, because that is the basis of "glamour" ice work, she soon began figure skating. She won the 1942 Junior championship at the Glenora club and with brother Murdo, took the juvenile, intermediate, and senior paired competitions in both junior and senior dance skating.

Since the 1944-45 season she has won intermediate honors, the Glenora Skating Club prowess cup and the Mills trophy for highest percentage in geometric figure skating of all classes.

DURING THE last few years since Lillian became tall enough to join her sister, brother, and father in form the "family four," the Munros have travelled to all parts of Alberta to appear in ice carnivals. While Murdo was overseas, the Four Munros were offered a position with a leading American ice show, but three didn't form a quartet, and the offer had to be refused.

Mrs. Munro, although she does not skate, has always encouraged her children in their "work." She is credit for their acts which are planned by Mr. Munro, helpe daughter Rosemary who designs and makes their costumes, and during public performances gets acts audience comments while she sits in the bleachers.

LILLIAN IS eagerly awaiting her opportunity under bright American lights and she firmly intends to make a success of her hobby-turned-profession. But regardless of her successes on the winged blades there are certain people she will never forget those who have taught her and known. She likes to talk to them, and they are, in addition her father who gave her his own G. F. Chalie, internationally famous skating teacher no longer in Canada; Stepanie MacIlwaine, Edmonton figure; Whitehead, now of Winnipeg, R. J. Myer, at present skating in the United States, Gordon T. Casey, who is now with Sonja Henne's Ice Revue; and Mrs. James Stephens, Tacoma, Wash.

Immigration

(Continued from Page 6)

with the business, and the children of the church," he said.

The Cardinal who is making a North - American visit to study conditions of the Ukrainian Greek Catholic Church, earlier officiated at the opening of the new $250,000 church at 95 street and 108 avenue.

He named Ukraine, Bessarabia, Carpathia and Transylvania as among the near-eastern European areas from which refugees have shown a keen desire to leave and to take up life anew in a land which would allow them *freedom of religion*.

Uprooted by the devastation of war and displaced by authoritarian policy these people were anxious, eager and willing to assimilate into the pattern of democratic freedom.

IN EMPHASIZING his hope that Canadian authorities would act quickly in accepting them as citizens, he declared it was his belief that such a course would be good not only for the displaced persons themselves but also for this country. This especially in view of the affection here of many of the Catholic clergy who had suffered under Communism.

In welcoming His Eminence, the lieutenant-governor of Alberta, Hon J. C. Bowen referred to the work of citizens of Ukrainian origin and observing that their forefathers came to this country to enjoy free dom, to worship God, said they had lived up to their responsibilities which gave them the full rights of their citizenship.

"In Canada we are very proud of our citizens of Ukrainian origin and of their achievements," said His Honor.

Others speaking at the banquet and extending their welcome to the Cardinal included Orest M. Demeo, chairman and master of ceremonies, who gave an outline of the historic association between the Ukrainian Greek Catholics and the Roman Catholics.

Three hundred thousand out of 10,000,000 Ukrainian Greek Catholics were citizens of Canada, and were divided into 200 parishes, he said. He paid tribute to the Cardinal for his devotion to this large body of adherents, and for maintaining and building the church's spiritual structure among them.

IN HIS ADDRESS of welcome, Hon. Lucien Maynard, KC, attorney-general, speaking first in English and then in French said the Edmonton must hold a very special place in the heart of the Holy Father (Pope Pius XII) in honoring retired bishops to visit scenes of the church's previous activities a short time and then again last year in the visit here of the late Monsignor Cardinal Villeneuve.

We desire to congratulate the Ukrainian people on this occasion on the many churches they have built to the worship of Almighty God," said Mr. Maynard during his reference to the new church consecrated during the morning by Cardinal Tisserant.

Acting in the absence of Mayor Harry Ainlay, a welcome from the City of Edmonton was extended by Ald. C. E. Gariepy, KC, who said that over a period of years he had had the opportunity of observing the work of many citizens of Ukrainian background and that they had done well exhibiting a talent for successful enterprise and of assimilation into the community and its life.

AMONG THE 25 guests at the head table were: Archbishop Ingoce Bishop Charles Gerard of Calgary and His Grace Bishop Neil Edwards of Winnipeg.

Extending welcomes to Cardinal Tisserant other dignitaries included Very Rev. Fr. B. Baranyk, Manitoba, provincial of the Order of St. Basil the Great; Rt. Rev. Mgsr. W. B. Carleton, vicar-general, archdiocese of Edmonton, who spoke in the absence of His Excellency Most Bishop J. H. MacDonald; Rt. Rev. Msgr. M. Pilon, Morinville.

Representing the Knights of Columbus in welcomes which expressed gratification of the growing membership of Ukrainian Greek Catholics into the order, were: F. Enright, Edmonton Council 1394 and R. G. LeBlanc, LaVerendrye Council 6048.

Among attendants from [illegible] parts of the province and western Canada were four priests from Saskatchewan by Chief Cutting, Assiniboia; Fr. A. Sawchuk, Prince Albert; Fr. Walter Ivanusec, Meadow Lake; and Fr. P. G. Shumay of Hafford.

FOLLOWING THE ceremonies in Edmonton the Cardinal accompanied by his secretaries, Archbishop Augustine Arellal of Rome and Very Rev. Msgr. Thomas McMorrow of New York, left for Mundare, where pontifical high mass will be celebrated by His Eminence.

The prelate and his party also will visit the seminary which is presided over by Rev. Fr. Victor Sonka, master of novitiates of the Order of St. Basil the Great.

His Eminence then will travel to Montreal and then to New York for functions at Princeton University.

He will return to Canada to attend the Marian Congress at Ottawa which will be presided over by His Eminence James Charles Cardinal McGuigan, Archbishop of Toronto, as papal delegate representing Pope Pius XII.

To Elect Primate On September 8th

SASKATOON, June 4 — (CP)— Election of the Primate of the Church of England in Canada will be held Sept. 8 at Saskatoon it was announced last night by the Rev. W. T. Hallam, Bishop of Saskatoon. The announcement also named the late Most Rev. Duncan P. Owen who died on March 30. Installation ceremonies will take place the evening of the election at St. Johns Cathedral here.

Sunburst MOTOR COACHES

Your Baby and Mine

By Myrtle Meyer Eldred

To the right-handed person the deftness with which the left-handed manages all his manual kills is nothing short of amazing. The left-handed, on the contrary, feels no handicap whatever, unless he is compelled by a right-handed society to use the tools for eating, or for work that are designed for right-handed persons.

We should not look upon the left-handed as less able than the right-handed. We make him less able only if we force him to change from his natural hand to the one which seems proper for us.

Mrs. F. J. wonders if training the child to use the right hand is the proper way to manage this when the child first begins to use the left hand?

Absolutely not. This is what should not be done. All babies use left or right hands indiscriminately. Eventually they begin to show a preference for one or the other hand. The child doesn't favor the left hand because he wants to be unique and different but only because the messages from his brain direct the use of the left hand.

One might express it by saying that the shortest road between the brain and the hand which carries out its messages is, in most persons, from the left hemisphere of the brain to the right hand. But in a small minority of persons it is from the right hemisphere to the left hand. To re-route those impulses makes for as time-wasteful a situation as if a car were sent pell-mell down one straight road and then had to come back and be sent down another.

In studies on stammering it has been confirmed that forcing naturally left-handed children to use the right hand for such fine, muscular movements as writing, cutting, sewing, etc., has developed halting speech and stammering.

Because of such knowledge it is the consensus that the left-handed person should be allowed to use his preferential hand, without any effort being made to humiliate or wheedle him into trying to be right-handed.

Mr. and Mrs. Frank Bradley, of Saskatoon, on Wednesday announced the engagement of their daughter, Ada, to Jack Patterson, son of Mr. and Mrs. J. R. Patterson, of Edmonton. The wedding will take place at Robertson United Church, June 28, at 3 p.m.

For Younger Looking Skin Use MERCOLIZED WAX CREAM

If your skin is young, you should seek ways and means to appear as young as you feel. A more even-toned fresher complexion aids in creating the impression of looking younger and more attractive. An effective way to help obtain this result is the regular use of Mercolized Wax Cream. This will aid in making and keeping your skin looking as young and lovely as your skin can look. Use only as directed.

Sold at Cosmetic Counters Everywhere.

Why Grow Old?

Actress Janet Blair surprised Josephine Lowman with her wholesome prescription for living— but the results of her ideas show in her charming face.

By Josephine Lowman

Janet Blair and I had a long pleasant talk at Columbia studios the other day. I do not think I have ever met anyone quite so vibrant! Her love of life and her vitality are actually tangible. You can feel their current and see them in the sparkle of her eyes. Her skin is absolutely perfect and she uses no makeup except lipstick.

I knew before I asked her, that back of such a clear complexion and such vibrant health, I would find the foundation of sane living. I might also have known that she loves to dance. Even her eyes dance!

She is married to the musician, Louis Busch, and told me that they live a very simple life, dipping little into the glittering night life of Hollywood. They spend their weekends with other young couples with similar ideas, playing outdoor and indoor games. Shirley Temple and her husband are friends.

Janet likes sports but dancing is her great enthusiasm. When only a child she was determined to become a ballet dancer. A little later when she was getting somewhere with her dancing lessons, her lovely voice sidetracked her into the beginning of her career.

Hal Kemp heard her sing and immediately signed her with his nationally known band. Then came singing roles in radio and at Columbia, and later a screen test. She achieved stardom in "My Sister Eileen" and you have probably seen her most recently in "Gallant Journey" and "The Fabulous Dorseys."

Perhaps her love of dancing makes it possible for Miss Blair to eat what she likes without any figure problems. She likes all kinds of dancing. She and I had a laugh about how tantalizing it is to walk around the floor, off beat, with someone who dances poorly when you love to dance so well. Janet calls this "The Business Man's Walk."

Even though one immediately senses a quality of gameness or good sportsmanship about her, I was somewhat surprised to find her with such mature philosophies. Janet believes that you must work for everything whether it is a marriage or a career, and that you must take the good with the bad. She thinks that too many people run away from their problems and that this is disastrous.

Janet's prescription for living, an adequate diet, a sense of humor, lots of exercise, plenty of sleep, hard work and a tremendous enthusiasm and interest in life, plus her mental outlook, might revitalize a great many younger women, as well as older ones.

Stocks of Butter Far Above Normal

OTTAWA, June 4—(CP)—The bureau of statistics reported yesterday a 4,000,000-pound increase over last year in the stocks of creamery butter held in the nine principal cities and thus aroused renewed speculation that the long-standing, war - induced butter ration may be abolished.

The bureau disclosed that stocks at June 1 totalled 11,504,004 pounds against 7,583,371 on the corresponding date a year ago and 3,942,018 pounds at May 1.

Lady Jane Grey was Queen of England for nine days in 1553.

Unfaithful Wife Wants to Return

By DOROTHY DIX

Dear Dorothy Dix: Twenty years ago my father left my mother because she was unfaithful to him. He brought us six children to Canada from England. The youngest of us was two, the eldest 12. He was up at daylight working. He cooked for us, sewed, washed our clothes, cleaned the house on week ends. He deprived himself of food, cigarettes and clothes during the hard times, so that we kids wouldn't have to go without. He has devoted his entire life to us, and he has never said anything to us against our mother.

SHE IS STILL in Europe and we have never seen her since we left her. She made no effort to contact us, or to do anything for us. But now that she is getting old and less attractive to men, she wants to live with us and have us support her. My father will never live with her.

Do you think it is our duty to bring this woman to this country and support her when she has been so traitorous to us?

A SON

Answer: I certainly do not. I think it would be maudlin sentimentality to pretend that you have any affection for this woman who deserted you in your childhood and who had less sense of responsibility to you than even a dumb brute shows for her offspring. You owe her nothing, and there is no reason why she should mess up your home life by bringing into it a woman without honor, without principle, and who would be a shame and disgrace to you.

Your father has sacrificed himself on the altar of parenthood. I have never heard of a nobler record than the one he has hung up, and he is certainly entitled to a peaceful and happy old age. Secure it for him by refusing to let this unworthy woman darken his doors.

If you want to send her money, do so, but make it a condition of giving it to her that she will never leave Europe.

Dear Dorothy Dix: I am a married woman and have two children. One is 18 months old and the other five months old. My problem is that I have met a man with whom I have fallen in love, and I want to leave my husband because I love this other man more than I do him. But I am afraid that if I leave my husband he might take the two babies away from me.

IF I HAVE to stay with my husband much longer, I think I will go crazy. My husband doesn't know about my affair with this other man. Another thing that complicates the situation is that I am not sure whether the other man loves me as much as I love him.

What should I do?

A MISERABLE WIFE

Answer: You certainly are a miserable wife, and the only advice that I can give you is to urge you to behave yourself, for that is the only way that happiness lies for you. Otherwise, you are slated for a lot of trouble.

Forget this other man. Look the situation squarely in the face and you will see that he has no intention of marrying you and saddling himself down with your two babies. Not many men want their brides to present them with a ready-made family.

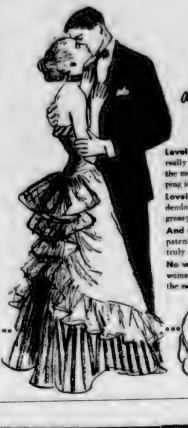

Dear Miss Dix: I am to be married in the fall of the year. The boy is a Catholic and I am a Methodist. Should we be married in his church or mine?

UNDECIDED

Answer: A Protestant cannot be married in a Catholic church, but he or she can be married by a priest in a home or a chapel. A Protestant can be married in any Protestant church, or at home, or even at the courthouse.

Your decision in the matter will depend upon your own attitude towards a mixed marriage. If either of you cares very much about your own particular faith, save yourselves lots of trouble by calling the match off.

JOHNSTOWN, Pa., June 4—(AP)—The iron - like crest of a 100-foot high steel mill slag pile broke open yesterday and a young Bethlehem Steel Company worker plunged to instant death in the furnace-hot interior. The victim, who a witness said "simply threw up his hands and disappeared," was 27-year-old John Smatlak, Jr., a war veteran.

Use FRESH and be lovelier to love

Lovely to know ... that you can really rely on Fresh. Fresh contains the most effective perspiration-stop ping ingredient known to science!

Lovely to use ... Fresh cream deodorant stays smooth ... never greasy or gritty, doesn't dry out.

And gentle ... for Fresh contains a patented ingredient that makes it truly gentle to skin, safe for fabrics.

No wonder ... more and more women are switching to Fresh, the new cream deodorant.

SECURITY

Steady Jobs Are Dividends of Sound Business Management

Men who have steady jobs are self-reliant citizens. They have a stake in Canada. Canada has a stake in them. The progress, welfare and strength of the Dominion are built on them.

That is why Sound Business Management is so vital to every one of us. For business, when directed by courage, confidence and initiative, is a means through which work and security are made increasingly possible for all.

Yes, steady jobs are dividends of Sound Business Management. Because it is continually working to improve products and widen markets, it creates more outlets for busy hands . . . more chance for advancement of workers . . . more opportunities for achieving freedom, security and progress.

"To provide every employee with a steady job . . . to pay fair wages to all employees."

Richard Eugene Harris Weds At Swift Current Church

SWIFT CURRENT, Sask. June 4 — Pink and white snapdragons, stocks and gladioluses decorated St. Stephen's Anglican Church, Swift Current, when Miss Elva Alice Sutherland, elder daughter of Mr. and Mrs. G. D. Sutherland of Swift Current, became the bride of Richard Eugene Harris, youngest son of Mr. and Mrs. T. Harris of Edmonton. The ceremony was performed by the Rev. R. J. Rainbow of Gull Lake, assisted by Rev L. R. A Sutherland, Sudbury, brother of the bride.

The bride entered the church on the arm of her father who gave her in marriage. She wore a gown of heavy white satin featuring a dropped shoulder line with a rounded sheer yoke outlined by a satin ruche trimmed with lace. A row of buttons down the back, lily point sleeves, a finger-tip circular veil falling from a small white satin coronet headdress, with an arm bouquet of American Beauty roses completed the bridal picture. The bride's only ornament was a gold wrist watch, a gift from the bridegroom.

Miss Lois Ann Sutherland was maid of honor and Mrs. Ronley Sutherland was matron of honor.

The bridegroom was attended by his brother, Philip A. Harris of Edmonton. Ushers were the bride's brother, Ronley Sutherland of Toronto, and Jack May, Swift Current.

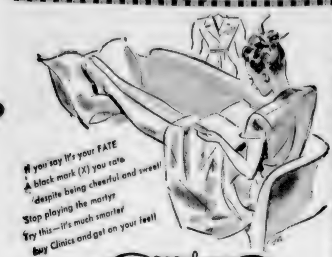

During the signing of the register Mrs. Douglas Fraser sang, I'll Walk Beside You.

After the ceremony, a reception was held at the home of Mr. and Mrs. L. M. Ogilvie where the bridal couple with their mothers received the guests.

A three-tiered wedding cake set in pale pink tulle flanked by lighted pink and white tapers in silver candelabra centred the lace covered tea table where Mrs. E. A. Goguillot, the bridegroom's aunt, and Mrs. H. R. Humble, the bride's aunt, presided during the evening.

The toast to the bride was proposed by L. M. Ogilvie.

The young couple left on the evening train for a honeymoon at Banff, the bride travelling in a green gabardine dressmaker suit with gold and brown accessories and an off-white wool box coat. Mr. and Mrs. Harris will take up residence at Calgary.

Mr. and Mrs. Tanner returned recently from a trip to the United States, and were accompanied home by their daughter and grandson.

Juvenile Delinquency Is Said Decreasing in Great Britain

By NELLIE McCLUNG

"Juvenile delinquency in England has shown a marked decrease since the close of the war" said Miss Sally Green of Nottingham, England, who is visiting for three weeks at the home of her brother and sister-in-law, Mr. and Mrs. James Green, 10951 96 street. In an interview Tuesday afternoon, Miss Green attributed the decrease to "the reuniting of homes where lassies now have the loving companionship of their parents."

MISS GREEN is a member of the Church Army of England, a welfare organization which endeavors to apply in a practical way the teachings of the Church of England. She is head mistress of Bryanston house in Nottingham, an "approved" school established by the organization where 35 wayward girls from 15 to 18 years old sent from the courts are under her care.

"Unfailing kindness and trust in our girls are the keys to our success in putting 85 per cent of the probationers on the right path. Pocket money and outside activities increase their self respect. For six years in succession my girls of Bryanston house have won the drama festival competed by other youth organizations of Nottingham," Miss Green proudly pointed out in her Lancashire dialect.

THE COST of maintaining a girl at Bryanston house is shared by her local district and by the home office. During her training of 12 months to three years, depending on her recovery, she is taught cooking, scullery, general housework, laundry and handicrafts, with morning and evening church services as the foundation of her new life. Through their many contacts, the Church Army is able to apprentice her for what ever vocation she chooses. She is shepherded for three additional years with reports turned in regularly to the home office.

"One of my most interesting cases was an uncontrollable lassie who came to me when she was 15 years old. Although very difficult to handle at first, she turned out very well, and came to Canada as a war bride. She is happily married now and has written me that in Canada, the land of opportunity, she can build a new life and promised me that her young son would be taught early the guiding principles of a good life.

CARE OF juvenile delinquents is only one phase of the work done by the Church Army. Whether assisting in the vicars' parishes, cheering isolated ditricts with moving pictures, working in the "hostels" of larger cities, where anyone can lodge for an evening according to his means, or staffing the "Darby and Joan" homes for older men and women, more than 600 members wear trim gray uniforms and sword crest dear to the British people.

Prebendary Wilson Carlile was the founder of the organization which after 70 years has spread to every corner of the world. In 1926 King George V conferred on him the Companionship of Honor in recognition of his services. Today the Church Army is particularly active in New Zealand, Australia, Tanaganyika, China and in Canada a training school has been organized in Ontario.

About 25 years ago, Miss Green began her training at the centre in London, which was demolished during the war, and is now located at Reading, near London. Working with the hostels in London and Bristol, she became interested in another field of work, the approved schools for young girls, for she felt that "in moulding the lives of the youngsters she was building for the future."

Parties Honor Elaine Harley

In honor of Miss Elaine Harley, whose marriage to Arthur Hare takes place June 14, Mrs. K. L. Wight entertained at a miscellaneous shower at her home Monday evening. At a table set with white cutwork cloth and centred with a bouquet of pink and white carnations, Mrs. A. E. Moore poured tea. Mrs. E. C. Welsh and Mrs. K. L. Wight assisted with the serving.

MRS. M. E. DUKE, mother of the bridegroom, and his sister Mrs. J. R. Levy, were joint hostesses at a tea held in honor of Miss Harley recently. Mrs. Levy poured tea at a table set with a white cloth and centred by a bowl of multi-colored carnations. Guests included the bride-elect's mother, Mrs. W. I. Harley, of Wainright and Mrs. E. S. Job, of Montreal.

Mrs. H. J. Gordon and Mrs. H. S. Baker were joint hostesses at their home recently when Miss Lorelei Formal presented the miscellaneous gifts to Miss Harley.

Mr. and Mrs. William Hustler and Mr. and Mrs. Jack Hamilton have returned from a week end visit at Calgary and Banff.

• • •

Mrs. F. M. Francis, who has been visiting in Calgary, has returned to her home in Edmonton.

• • •

Altar Society of St. John the Evangelist Church will hold a card party in the church hall, 9907 149 street, Wednesday at 8.30 p.m.

• • •

Loyal Protestant Women are holding a whist drive, tea and sale of aprons and home cooking in the Empire room of the Hudson's Bay Company store Friday at 2.30 p.m.

Scout Parents To Hold Tea

A tea sale of home cooking and handicraft will be held by the [illegible] Group Cub and Scout Parents Association, Calder, Saturday, from 2.30 to 5 p.m. in the Empire room, Hudson's Bay Store.

The tea table, covered with a lace cloth, will be centred by a silver cup won by the Club's Aid Team and with yellow tapers.

Pouring tea will be Mrs. A. Kazeil, Mrs. E. Leitch, Mrs. H. Darling, Mrs. W. Frost, Mrs. G. Audley and Mrs. R. Johnson.

Mrs E. Nohos and Mrs. Ludvigsen will be in charge of the bazaar table.

Mrs. P. Johnson, Mrs. H. Groves and Mrs. C. Comrie will be in charge of home cooking.

Mrs. T. Redpath, Mrs. R. McDonald, Mrs. F. W. Poole, Miss Mary Poole, Mrs. A. Broyles, Mrs. B. Bergson, Mrs L. James and Mrs R. Thompson will serve tea and Mrs. J. S. Anderson is convener.

Frances Crilly Is Honored

Several Edmonton hostesses have entertained recently in honor of Miss Frances "Frankie" Crilly, whose marriage to William Souder takes place in Saskatoon in the latter part of June.

Mrs. George Docherty entertained at a surprise cup and saucer shower at her home recently. Miss Fern Thompson and Mrs. Docherty poured tea for the [illegible] guests.

About 15 guests were present when Mrs. A. Bullock entertained at a miscellaneous shower in honor of the bride-elect.

Mrs. M. Romeo was hostess at her home recently when [illegible] friends presented Miss Crilly with a bedspread.

Six members of the bride-elect's bowling club gathered at the home of Miss Fern Thompson on another occasion. The miscellaneous gifts were presented to Miss Crilly in an umbrella trimmed with paper orchids.

Miss Nancy Hanna entertained at the home of her sister, Mrs. G. C. Head when members of Woodward's Groceteria staff, of which Miss Crilly is a member, presented her with a coffee table and a rose bowl. Miss Hanna and Mrs. Head poured tea for the 17 guests.

To honor Miss Rhoda Williamson, a bride-elect of June 6, Mrs J. Hudson and her daughter Mrs. George Lucas, entertained at the former's home recently. Gifts of kitchenware were presented to the guest of honor from the 20 guests. Accompanied by Miss Irene Bullock, Miss Martha Shore gave numerous vocal selections. Last Tuesday, Mrs. V. Hawes and her daughter, Mrs. Roy Hawes entertained in Miss Williamson's honor at the home of Mrs. V. Hawes. Contests and games were enjoyed by the 20 guests present.

Mrs. E. H. Reavely Entertains At Trousseau Tea for Daughter

Lilacs and carnations decorated the rooms of the home of Mrs. E. H. Reaveley when she entertained at a trousseau tea Tuesday afternoon and evening in honor of her daughter, Miss Emile Reaveley, whose marriage to William Mather takes place Saturday. [illegible]

Mrs. Reaveley wore a printed silk dress complemented with a corsage of red roses, and Miss Reaveley was frocked in a [illegible] crepe dress with a corsage of pink roses.

The tea table was set with a lace cloth and centred with a silver basket of lilacs and carnations, flanked with pink tapers. Presiding at the tea urns were Mrs. P. H. John, Mrs. E. Marshall and Mrs. J. Kosuck.

Assisting were Mrs. J. Coffin and Mrs. J. Sterling. Miss [illegible] Reaveley showed the trousseau and gifts and was in charge of the guest book.

In honor of Miss Ursula Forbes, a bride-elect of June 14, Mrs. A. Korner entertained at a [illegible] shower at her home recently. Guests were Mrs. B. Prather, Mrs. L. Babbe, Mrs. H. Sumner, Mrs. Collier, Mrs. A. Fotter, Mrs. R. Karlsen, Mrs. A. King, Mrs. Gillett, Mrs. J. Miller, Mrs. C. Fisher, Mrs. A. Bennett, Mrs. J. Kinsman, Mrs. T. Orgell, Mrs. R. Jones, Mrs. Watson, Mrs. W. [illegible], Mrs. [illegible], the Misses M. Clarke, A. [illegible], N. [illegible], P. [illegible], I. Phillips, B. [illegible], D. McLeod and [illegible] Osgood.

DEATHS

MRS. JESSIE WILLIAMS

ON June 3 Mrs. Jessie Williams, beloved wife of William H. Williams of 9746 82 Ave., passed away in the city at the age of 34 years. Besides her husband she is survived by one daughter Dianne at home, her parents, Mr. and Mrs. T. J. McLean of Edmonton. Funeral services will be held on Thursday, June 5 at 2:30 p.m. at Hainstocks Funeral Chapel. Rev. George M. Edwards will officiate and interment will take place in the Edmonton Cemetery. Hainstock and Sons Ltd., Funeral Directors.

REV. ABRAHAM HAGER

ON June 3, Rev. Abraham Hager of 9637 107 Ave. passed away in the city at the age of 89 years, and 10 months. His wife predeceased him by 20 years. He leaves to mourn his loss three sons, and one daughter, Abraham of Seattle, Washington, Phillip of Yakima, Washington and Benjamin of Edmonton; Mrs. F. M. Falkenberger of Edmonton; 10 grandchildren and 9 great grandchildren. Funeral services will be held on Thursday, June 5, at 2:00 p.m. at Central Baptist church. Rev. Schilke will officiate and interment will take place in the Beechmount cemetery. No flowers by request. Park Memorial Ltd., Funeral Administrators and Directors, The Chapel on the Boulevard.

JACK McCAWLEY

ON June 3, Jack McCauley of 10708 107 St. passed away at Medicine Hat, Alberta, at the age of 45 years. He is survived by six brothers, Thomas, Steve, Mark, all of Edmonton, Edward of Port Alberni, B.C., James of Devils Lake, North Dakota, Patrick in Ireland; three sisters, Mrs. L. Chapman, Mrs. M. Lee and Mrs. J. Rheinhart all of Edmonton. Funeral arrangements will be announced later. Andrews McLaughlin, Funeral Directors.

PROVINCE OF ALBERTA
DEPARTMENT OF PUBLIC WORKS

SEALED TENDERS will be received by the undersigned up to 11 o'clock Daylight Saving Time on Thursday, June 12, 1947, for the construction of the following works:

(1) Highway 5, Section A, Subsection 1, Lethbridge to Magrath. Mile 3.0 to Mile 20.7.
Grading approximately 400,000 Cubic Yards of excavation and other work.

(2) Highway 5, Section A, Subsection 1, Magrath to Cardston. Mile 20.7 to Mile 44.4.
Grading approximately 600,000 Cubic Yards of excavation and other work.

The cover of each tender will be marked "Tender for Highway Construction" and will be accompanied by an accepted cheque for Five Hundred Dollars ($500.00) as provided for in the tender form.

Contracts and Specifications may be obtained at the office of the Highway Commissioner, Parliament Building, Edmonton, Alberta, and the Office of the District Engineer, Old Court House Building, Calgary, Alberta, and will be available to corporations or firms established and in operation in Canada who own equipment necessary to perform the work. A deposit of Twenty-Five Dollars ($25.00) will be required for each copy of the Contract and Specifications taken, which will be refunded upon the return of the Contract and Specifications in good condition.

The lowest or any tender not necessarily accepted.
G. H. N. MONKMAN,
Deputy Minister of Public Works.

AIR TRANSPORT BOARD
APPLICATION FOR A LICENSE TO OPERATE A COMMERCIAL AIR SERVICE

Peace River Northern Air Lines Limited has applied to the Air Transport Board for licenses to operate non-scheduled charter commercial air services based at Fort McMurray and at Jasper, Alberta.

The services would include the transport of passengers and goods.

Any person desiring to make representations concerning any of these applications must file a complete submission with the Secretary, Air Transport Board, No. 3 Temporary Building, Ottawa, Ontario, by June 23rd, 1947, and send a copy concurrently to the applicant addressed to King Edward Hotel, Edmonton, Alberta.

AIR TRANSPORT BOARD
OTTAWA, May 23, 1947

NOTICE

Take notice that the partnership heretofore carried on by the undersigned under the firm name of "ALBERTA MOTOR EXPRESS & TRANSFER" at 10332 - 104 Street, Edmonton, Alberta, will be dissolved as at the 31st day of May, 1947, by the withdrawal therefrom of the undersigned, GEORGE ROBERTSON. The business will hereafter be carried on by the undersigned, JOSEPH SMITH, who will collect all accounts receivable and pay all outstanding liabilities.

Dated at Edmonton, Alberta, this 31st day of May, A.D. 1947.

Signed: GEORGE ROBERTSON,

FARMER CO-OPERATIVES

Total membership in farmer co-operatives in Canada is now some 750,000 according to statistics gathered by the economics division of the dominion department of agriculture. This includes some overlapping in cases where one farmer is a member of more than one co-operative. Membership in such co-operatives increased 50,000 in the 1945-46 crop year. Total business done by farmer co-operatives now totals about half a billion dollars yearly.

Portugal will build a $1,600,000 "Castelo do Bode" dam on the Zezere River.

Stocks Of Butter Rise Substantially

OTTAWA, (CP) — The bureau of statistics reported a 4,000,000-pound increase over last year in the stocks of creamery butter held in nine principal cities and thus aroused renewed speculation that the long-standing, war-induced butter ration may be abolished.

The bureau disclosed that stocks at June 1 totalled 11,504,004 pounds against 7,583,371 on the corresponding date a year ago and 2,942,081 pounds at May 1.

Holdings by western cities follow, with figures for June 1 last year in brackets:

Winnipeg, 1,324,846 (827,427); Regina, 253,137 (142,132); Saskatoon, 292,033 (177,346); Edmonton 618,817 (475,683); Calgary, 273,026 (290,662); Vancouver 796,488 (771,851).

Livestock

EDMONTON LIVESTOCK

Stockyards receipts: cattle 375, calves 103, hogs 987, sheep 18.

Trading on Wednesday's cattle market very slow with local buyers bidding from 25 to 50 cents lower. Insufficient sales up to noon to establish reliable quotations. Last sales choice steers 15.50-16. Choice butcher heifers 14.50-15. Good light cows 11-11.50, stockers and feeders in demand. Choice steers 10.50-11.50, a few tops from 12-12.50.

Veal calves good to choice handyweights 13-14.

Hogs Grade A stockyards for shipment 20.75, Grade A local plants 19.90. Sows liveweight on yards 12.50.

Lambs choice handyweights local 13, off cars 13.50.

Grain Prices

EDMONTON GRAIN

Street prices for grain at Edmonton as provided by the National Grain Company:

Oats, all grades 53.

Barley, all grades 75½.

Wheat at board rate, basis 1.20 for No. 1 northern.

JUNE 4

Rye: 2 C.W. 3.10½; 3 C.W. 3.05½; 4 C.W. 2.85; ergoty 2.33.

WINNIPEG GRAIN

WINNIPEG, (CP) — The United Kingdom took 1,000,000 bushels of wheat under the Canadian wheat agreement in the only export business reported on Winnipeg grain exchange Wednesday.

Rye futures prices remained firm. The firmness of Chicago grains encouraged some buying at Winnipeg but when Chicago prices fell off, gains at Winnipeg were shortly reduced. There was some local buying but offerings were light.

At the close July was 70½ at $3.50; October up 1⅞ at $2.67¼ bid; December up 1⅝-1⅞ at $2.49-2.49¼.

Cash prices: Rye: 1 C.W. 3.60; Oats at ceiling of 65 cents; Barley at ceiling of 93 cents.

CHICAGO GRAIN

CHICAGO, (AP)—Fairly large gains were reduced during the latter half of trading on the board of trade Wednesday when profit-taking and hedging pressure expanded. Dealings were active as grains got down to around the preceding close.

Shorthorn Herd Brings $346,085

KANSAS CITY.—Sale of a complete herd of 205 prize Shorthorn cattle held here at the week-end realized the all-time record of $346,085. That was an average of $1,766 for the 196 lots offered. Most were single animals but some lots included cow with calf at foot.

The registered Shorthorn drew bidders from 42 states, Canada, Scotland and Argentina as Ralph L. Smith, recent owner of the Sni-A-Bar Farms dispersed his holdings.

First 20 head through the auction averaged $1,780. Top price for females was $8,000 for Pittodrie Rosewood Beauty, two-year-old half sister of Pittodrie Upright, famed Scottish raised bull. The latter was champion last year at Perth show, cost Mr. Smith $61,335 there and sold here for $34,000.

INDIAN MARKET STRONG

CALCUTTA, (Reuters)—The Calcutta stock exchange reacted favorably to the announcement of the British plan for India and its acceptance by Indian leaders. All popular shares showed gains over last week's levels.

TORONTO AVERAGES
(Closing Index)

Industrials	167.15	up .49
Golds	111.77	dn .62
Base metals	83.69	up .24
Western Oils	30.24	up .10

Total sales: 1,265,000 shares.

Czechoslovakia and Austria will exchange electric power on a seasonal basis.

Among the miracles of tomorrow on display at the mid-America exposition in Cleveland, no exhibit is more startling than the act put on by Dr. Fitz-Hugh Marshall of an electric appliance corporation. Dr. Marshall is shown doing his act above. He sits on 200,000 volts of electricity—that's six times the voltage of an electric chair—several times daily. Yet he smiles while he does it, even if his hair stands up as if it were starched. The scientist does his sitting on a three-foot model of a six-storey atom smasher. As the voltage is stepped up, Dr. Marshall becomes a human storage battery. There is one factor he must not overlook, if he wishes to continue his act—he must never lose his balance or come in contact with the floor or fixtures, elsewise his employers will look for another scientist.

Canadian Dollar Position Is Strong

TORONTO. — There are clear and basic factors of strength in the position of the Canadian dollar, according to the current monthly review of the Bank of Nova Scotia, which is devoted to an outline of some of the important factors bearing on the foreign exchange value of the Canadian dollar.

"By the test of comparative prices, the currency is a strong one. By the test of the overall balance of receipts and payments, it also appears to be soundly based. The gold and U. S. dollar reserves are still substantial. The general economic prospects of the country are better than those of most others."

"The big question mark is the prospect for exchange convertibility under conditions of freer and expanding international trade. That depends largely on recovery of production and restoration of economic order in the war-ravaged countries of Europe and Asia, which in turn depends heavily upon the provision of sufficient aid in U. S. dollars to permit the rest of the world to finance urgently needed purchases from North America."

Dollar "Undervalued"

The Review adds, however, that "even if the international economic outlook is regarded as discouraging, there is very serious question as to whether a reduction in the exchange rate would in present circumstances have much effect in correcting Canada's U. S. dollar deficiency."

It quotes the minister of finance's remarks on the exchange situation in the budget speech in which he suggested that "under prevailing conditions of widespread shortages, limited supplies and urgent needs, the possibility of a country improving its exchange position by currency depreciation is extremely limited."

The Review discusses the Canadian dollar in relation to a number of general tests. The first and most fundamental is the test of purchasing power. "In terms of what it will buy, the Canadian dollar is one of the strongest currencies in the world. Canadian prices have risen less than prices in most other countries, and, even after allowance for the reduction in the foreign exchange value of a number of currencies, the purchasing power of the Canadian dollar is comparatively high."

Shows Trade Balance

"Price comparisons both with the United States and elsewhere suggest that the Canadian dollar is, if anything, undervalued. Looking ahead, however, too much emphasis should not be placed on the high level of U. S. prices. They have risen very sharply in a manner reminiscent of the price boom after World War I and the possibility of a sharp fall cannot be readily dismissed."

"Canada's current balance of payments has continued to produce a net credit," though exports are, of course, below their extraordinary wartime peaks and imports are higher than ever. "In 1946, total receipts accruing from sales of goods, services and other current transactions exceeded total current payments to other countries by something more than $450 millions," a much larger credit balance than in any year prior to 1941.

However, about $750,000,000 of Canada's exports were financed by net export credits and advances in 1946 and the rapidly rising flow of imports from the United States was being settled in cash. "During 1946, Canada's deficit in her current transactions with the United States was about $600,000,000."

"However, the loss in official reserves of gold and U. S. dollars was $260,000,000 odd in U. S. funds, as most of the countries receiving credits from Canada have undertaken to pay for a portion of their purchases in convertible foreign exchange. So, in 1946, some $237,000,000 in gold and U. S. dollars were received through transactions with countries other than the United States."

Canada's economic position is a strong one, the Review concludes.

PAYERS IN LOW BRACKETS

About 70% of those reported to have paid income tax in 1946 were in the income brackets of $2,000 and under, according to a return filed recently in the commons. Another 24% were in the brackets from $2,000 to $5,000, so that a total of 94% of all income tax payers reported incomes of $5,000 or less.

Lumber shortage cut Sweden's 1946 shipments of sawn and planed wood products.

A Safe, Gentle Saline Laxative that gives
relief fast!*

UPSET STOMACH, HEADACHES, CONSTIPATION, causing you distress? A sparkling glass of Sal Hepatica brings fast, gentle relief . . . usually in less than an hour . . . and more effective relief because this carefully balanced combination of mineral salts also combats excess gastric acidity. Sal Hepatica sweetens sour stomachs . . . is easy to take . . . leaves no disagreeable after-effects. Get Sal Hepatica from your druggist today.

*Faster relief because
Sal Hepatica
also combats excess gastric acidity
Product of Bristol Myers Made in Canada

Requirements Set To License Aids

Forty weeks training will be required before a certificate will be granted to Grade 9 students as nursing aides, according to regulations announced by the provincial government Tuesday under the Nursing Aides Act, passed at the recent session of the Alberta legislature.

The appointment of a Registrar-consultant under the terms of the act went to Miss Frances Ferguson, Calgary. Miss Ferguson has been in charge of a nurse's aide school in that city under the Canadian Vocational Training.

The appointment of a council to administer the act was also announced Tuesday by Hon. Dr. W. W. Cross, minister of public health.

Dr. A. Somerville, inspector of hospitals, is chairman. The Alberta Hospital Association is represented on the council by Dr. A. F. Anderson, superintendent of the Royal Alexandra Hospital staff, and Miss Margaret Fraser of the same hospital has been selected as representative of the Alberta Association of Registered Nurses. Miss Jean S. Clark, provincial nursing supervisor, is also a member.

At a future date, a representative of the nursing aides will be added to the council.

The Calgary CVT school has been taken over by the provincial government, but students will be paid allowances according to the agreement with the federal government under CVT.

The forty week course is divided up into a 12 weeks course at the Calgary school, three periods of eight weeks each at three institutions and a final four week session back at Calgary.

Bridge

By William E. McKenney

At the Midwest Regional Championships Tournament in St. Louis, Mo., I had the pleasure of presenting Life Master-Life Membership card No. 71 of the American Contract Bridge League to David C. Carter of Kansas City, Mo. Dave was so thrilled by this honor that it may have had some effect on his game, as his name did not appear among the Midwest winners.

Nevertheless Carter and his wife are a dangerous threat in any tournament. Let me show you

Tournament—Both vul.

South	West	North	East
1♥	Pass	Pass	Double
2♥	2♠	Pass	4♠
Double	Pass	Pass	Pass

Opening—♥10 4

how well he handled the play in today's hand against a very clever defensive player.

South overtook his partner's opening lead with the jack of hearts. South knew that he could cash another heart, but then all he could see was a spade trick. At this point he decided to lead back the singleton three of diamonds. Everybody at the table knew that the three-spot was a singleton.

Carter (West) won in dummy with the ten of diamonds, and while he felt sure that South had the king and queen of spades because of the double, he had to keep North from getting into the lead. So he cashed the ace and king of clubs and then led the jack of spades. South went up with the queen and Carter won with the ace. If he led back with a small spade, South would win, lead a small heart which North could win with the nine, a diamond would be returned and South would ruff it.

But Carter was not going to be defeated so cleverly. He led the seven of hearts from dummy. South won with the queen all right, but now he was unable to get his partner in with a heart so he could ruff a diamond.

Do you suffer MONTHLY FEMALE PAIN?
This fine medicine is very effective to relieve pain, nervous distress and weak, cranky, "dragged out" feelings of such days—when due to female functional monthly disturbances. Worth trying!
LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Army Escapee Treed

POLICE CHIEF W. HOLTKE (right) looks at the huge hollow tree at Terrace Park, O., where Anthony Larotonda (left), 18, an escapee from Ft. Dix, N.J., lived until rain drove him out.

3 Nazi Widows Elude Dragnet

MUNICH, June 4—(AP)—three widows, headed by Frau Heinrich Himmler, continued today to elude the dragnet of the Bavarian denazification minister who wants to put wives of all big-shot Nazis behind bars. Minister Alfred Loritz said state police had failed to locate the widows of Himmler, Jodl and Julius Streicher. Frau Jodl had lived in Nuernberg since Col-Gen Jodl was hanged there by the Allies last October. But local authorities reported her "not here" today.

The use of false teeth dates back from the 18th century.

Plan to Provide Free Transfusions

Largest health service ever undertaken by a voluntary organization in the world will be available to Albertans early in July, Dr. W. S. Stanbury, Toronto, national director of the Canadian Red Cross blood transfusion service announced today. Organizing the Alberta division of the blood service scheme who will provide entirely free blood and plasma transfusion to any resident in even the remotest corners of Canada, Dr. Stanbury is in Edmonton conferring with Red Cross officials.

Alberta will be the second province in the Dominion to have this service, stated Dr. Stanbury. British Columbia's scheme was organized last January.

Headquarters for this province will be located in Edmonton, temporarily at the American Base Hospital, corner of 103 street and Portage avenue until a permanent laboratory is established by the provincial government. A sub-depot will be set up in Calgary.

Approved by the College of Physicians and Surgeons Associations in every province, provincial governments, and health organizations throughout Canada, the blood and plasma service has been acclaimed by doctors. Only opposition to the scheme has come from certain large hospitals in Eastern Canada which have been making tremendous profit from blood transfusion services, he added.

Mainstay of the scheme will be the willingness of Canadians to give their blood free of charge to the Red Cross. "One Canadian in 50 must donate a pint of blood twice a year to keep the scheme in operation," stated Dr. Stanbury. No longer will financially-difficult Canadians pay $25 a pint for blood, said the doctor. Provinces formerly without sufficient blood supplies will have their problem solved. Saskatchewan, which in the past has had to import blood, however, will probably be the province to benefit most, commented Dr. Stanbury, but stressed the fact that for the first time in history, blood and plasma will be available to every Canadian citizen.

London Police To Fight Fascism

LONDON, June 4—(Reuters)—Strong police reinforcements are to be sent into London's bomb-shattered East End every Sunday to cope with a rising tide of fascism, it was disclosed today.

A riot Sunday night at a pro-fascist rally, which Jewish and other elements joined, is regarded by authorities as the first indication that political opponents are prepared to bring their strife into open fights.

Fourteen men were arrested as a result of the rioting, the climax of six weeks' intense activity in slogan and poster warfare.

Counties in crude forms were known as early as 5,000 B.C.

To Visit Spain

MADRID, June 4.—(Reuters)—All main buildings here will be floodlit for the visit to Spain of Dona Eva Duarte de Peron, wife of the Argentine president, who was expected to arrive Sunday evening. Final arrangements were being made for an elaborate program of fiestas, including a special elaborate bull fight in Madrid's Plaze Mayor.

Hold Conference

LEAMHORN, Italy, June 4.—(Reuters)—Seven American generals, summoned from the Italy theatre, held a two-day conference here. It was officially understood the conference dealt only with American troops evacuation from Italy after the peace treaty is ratified.

Sales Clerk Earns Bonus First Time

"I was always last in the store's monthly sales contests, but today I won my first bonus cheque for highest sales," says a wife-woman, who made a simple discovery.

Like many on their feet all day, foot torture made her cranky with customers until she started massaging her feet with Zam-Buk at night. Zam-Buk's soothing, penetrating herbal oils quickly relieve sore, tired aching feet and help ease painful swelling. Many salespeople, postmen, waitresses and busy housewives rely on Zam-Buk for foot comfort.

Zam-Buk has dozens of other uses whenever a healing, soothing, antiseptic ointment is needed—minor cuts, burns, scalds, blisters, Athlete's Foot, sprains, muscular aches and pains. Get ZAM-BUK from your druggist today. 2-5
